Join in Highline College Presidential Search

What qualities do you want to see in Highline's next president? Share your thoughts at an upcoming listening session.

As the college's trustees work on recruiting and selecting a president, they want to hear from everyone.

Sessions are open to the public. To make it convenient for community members to participate, trustees will offer two evening sessions:

- Monday, Dec. 4, 6:30 p.m.: [Wiley Center Neighborhood House at Greenbridge](#)
- Monday, Dec. 11, 6:30 p.m.: [Federal Way Library](#), Meeting Room 2

Trustees will use what they learn at the sessions to help create the presidential profile. Profiles often outline general duties and desired qualities or characteristics.

If you are unable to attend a session, or prefer to submit your input online, please visit: <https://www.highline.edu/presidential-search-listening-sessions/>

Trustees will take comments until 4pm, December 15, 2017.
