Life Enrichment Options (LEO) along with the Rotary Clubs of Issaquah and Sammamish invite you to drive, ride, or cheer at the 2017 Challenge Series Races

## 2018 CHALLENGE SERIES RACES!

These gravity car races allow those with developmental disabilities the experience of a thrilling soap box derby-type race while riding in a car piloted by a typically developing driver who is 10 years old or older. The co-driver is a racer with special needs (*no taller than 5'2" and 130 pounds or less*). Two cars, propelled by gravity, race down the street to the finish line. Each car has brakes so that the driver can safely stop it. Each racer with special needs has the opportunity to race more than once during each event.

**Lunch and an awards ceremony** full of smiles completes the day of fun. This **free event** is designed for the whole family, and every child is a winner!

**August 11th, 2018 - ISSAQUAH & SAMMAMISH  
at Discovery Elementary**
