Rotary International Convention

2018 Rotary International Convention set for Toronto
The 2018 Rotary International Convention is scheduled for June 23-27 in Toronto, Ontario.

More information is on the convention website, which can be found at: <http://www.riconvention.org/en>

As your Foundation Director I encourage you to consider an annual commitment to the Rotary Foundation. The Foundation has been largely responsible for the eradication of polio worldwide, encourages peace building through Rotary international youth exchanges and other efforts, and supports local Rotary clubs with grants for projects. Ninety seven percent of all funds given to Rotary International go to the causes we support as Rotarians. President Susanne has set a goal of raising \$2500 in commitments from our members this year (July, 2017-June, 2018). Our goal is \$100 per member but you can give more or less than that as your personal budgets dictate.

To sign up for Rotary Direct go to MyRotary.org and sign in. Then highlight the Give option, then highlight Donate. Next we encourage you to highlight the option Annual Fund Share for the account; that commits 50 percent of those funds to Rotary Districts for support of Rotary Club projects. However, you may indicate another cause if you wish. Finally, indicate the amount you wish to give and the frequency of giving followed by your billing information. You will get a summary before you commit. If your household is like ours you support a number of worthwhile charities and funds can be tight, but we hope you will include the Rotary Foundation among your giving options this year.
