Rotary Club of Three Creeks turns one!

The Rotary Club of Three Creeks has already turned one year old! Those members, and guests, in attendance at our meeting on October 5 enjoyed cake to celebrate the club's first birthday. Many thanks to all of the people who have played such big roles in helping get the club this far.

Kira Klingenberg, co-founder of Science Project, and co-host of a radio show, "Everything is Interesting" on XRAY Radio, Wednesdays at 8:30 a.m. will be our featured guest.

Science Project is a volunteer run non-profit organization that inspires kids and adults to use science to explore the world around them.

The team at Science Project develops programs for expos, events, camps and classrooms that turn textbook concepts into fully engaged experiences.

Science Project provides exciting hands-on opportunities to investigate, discover, and learn.

Kristin Straight will introduce Kira. In an interesting twist, Kristin and Kira are cousins!

Welcome Spanski-Dreffin and Lucescu

The Rotary Club of Three Creeks welcomes two new members.

Daniel Spanski-Dreffin and Eric Lucescu have been approved for membership by the board of directors of the Rotary Club of Three Creeks.

Eric is a financial advisor with Edward Jones, and is a native of Clark County. He and his wife have one child with another on the way. Jim Selby is Eric's sponsor.

Daniel is transferring to our club from the Twin Cities club in Chehalis. His interest in changing clubs is based on his residence in Vancouver. Daniel is a financial advisor with Voya Financial.

Both Daniel and Eric will be inducted into the club at our November 2 meeting. These new memberships bring our total roster to 25.
