

# LO Interact and the 2016 Portland Marathon

Report of 10/9/2016 Service Project by Ted Ricks

The finish line of the 2016 Portland Marathon at 1:31 PM (six and half hour finishers).

LO Interact volunteered to give out food at this Marathon as a service project and to raise some funds for the club.

Despite the constant rain, these hardy souls worked from 11:30 to 3:30 Sunday -: back row l-r: Joel Saarinen and Ted Ricks; middle row l-r: Moly Mullins, McKinley Mullins, Savannah Grosse, Lolly Pasotti, and; front row: Reilly Mullins holding the sign. Rotarian, Yvette Weeks, joined us later in the morning.

The task was to hand out slices of bananas, oranges, and bagels along with servings of yogurt, apples, chocolate milk, and at least three kinds of juice to marathon finishers.

In addition, we emptied garbage cans, folded up tables, and stored all the leftover food for downtown charities that day.
