Incoming Speakers

January 16, 2014

Submitted by Charlie Bogue

Welcome: President Elect Mark Foxworthy in training welcomed a busy and a bit noisy crowd of Rotarians. There were various and conflicting stories on where President John might have been.

Pledge & Thought: Chris Craiker led the pledge and with minutes of given notice gave a thought something like "doctors can bury their mistakes, architects can only grow ivy over them". Any ivy covered buildings out there Chris?

Song: Tom, song writer as well as song leader, led the group in his latest creation.

You may try this at home, it is sung to the tune Clementine, and will be outdated by Sunday night. This creation was perhaps wine inspired but still enjoyed.

In Seattle, In Seattle

Lookin' for the great big win

Are the Niners, 49ers

With the Seahawks and their din

Oh sad Seahawks, O sad Seahawks

The Niner'll stop your spree

You'll be gone until next season

Pete'll want back at USC

Visiting Rotarians: None

Guests: Mat Salsman introduced Brad Woodland, Napa Facility Manager at Mike's Auto Body. Greg Bennett introduced guest Brad Woodland, CFO for Bank of Napa.

Student of the Month: Cathy Dickey and Valley Oak recognized two of their students for months of November and January. Cory Waken was sponsor. Not able to attend were students Amaya Backhus and Crystal Avina. A photo of Amaya was on our tables and words of their accomplishments from difficult circumstances touched hearts of all. Joe Fischer expressed the thoughts of many members that of the students we recognize, Valley Oak does so much to give students that second chance in life.

Announcements:

Barry Thompson: gave a "short but sweet" (something his wife said) announcement of **Rotary Foundation** dinner honoring Dong Kurn Lee. It is January 18th at Hilton Hotel in San Francisco. See Barry if you want to go on the Club bus. Barry also reported on **Bell Ringing** also. We raised

Inside This Issue

No stories found.

\$1,644, not bad for ringing a silent bell. Rotarians out raised Kiawanans (?) \$9,640 to \$7,094. Barry expressed thanks to all who participated.

Chris Craiker: Reported that our next serving at **The Table** will be February 4th. Servers are needed and Chris is working on a beginning year assessment of how things have gone and/or changes in the process. Email your thoughts to him.

Linda Glass: It is that time for **The Largest Gathering of Skiing Rotarians In The World**. Date this year is Friday March 7th. Her Quote: "faster and faster until the thrill of speed overcomes the fear of death". Sounds great. Contact Linda and get your application in. Red wine at Denny Mosher's cabin has impacted our success in the past. A little snow would probably help as well.

Happy Dollars:

Joe Fischer gave \$100 to the club for a successfully negotiated real estate agreement with the City and help and assistance received from several fellow Rotarians.

George Nielson gave \$100 of thanks to Pathway Home for the support his Daughter has received in her medical recovery. 8 Napans donated stem cells and his son is contributing bone marrow to his sisters needs. Our thoughts are with her and George's family.

Mike Basayne gave \$50 to fund of choice for Sharpie Sharp of KVON for the radio time given to Mike in promotion of Napa Tours providing free limousine rides over the holidays for the alcohol impaired.

Rotary Joker:

We knew it would happen eventually and it did. Conor Massey pulled the Joker and won the pot of \$1044. When asked if he might give a portion of his winnings to the club he gave the attorney silent response. Maybe next week we will see how "happy" he is with his winnings. Everyone was really happy for him.

Speaker Program: Relay for Life

Susan Korcz (707.255.5911) gave a heartfelt talk about the 24 hour event, Relay for Life, that takes place each year here in the valley. She said that all the money raised stays in the community to help fight cancer. The event raised \$145,000 last year and has a goal of \$175,000 this year. There are many ways to contribute and participate. Jason Dominici gave a worthy testimonial and suggested that we create a Sunrise Rotary team for the event. It was moved and seconded that he form and manage that effort. That aside, she explained the event as one of fun and community for a ongoing and worthy cause. Any way of participating please contact Susan.

Overheard & Overseen...

OK, seems Pete Mott and Pete Manasse often pick up the wrong Pete badge as happened again this week. If this keeps up we will have Manasse on the city council and Mott overseeing burials.....speaking of Mott, it seems that his retirement plans have been put on ice.....McGrath is winding down his practice and has just 3 clients. I guess they meet in his barn.....someone said they saw President John having dinner with the District Governor.....will see what the New Year brings...

Meeting Concluded:

Mark concluded what may have been the shortest meet ever, possibly a sign for his coming administration. Wished all a good week.
