Get ready for fun family summer entertainment that benefits our local community! Napa resident Bruce Johnston is planning to bring our National Pastime to our town for 40 summer evenings at Napa Valley College. Part of the independent, Pacific Association of Professional Baseball Club, the Silverados will provide local families with an affordable, safe and exciting summer activity while boosting the visibility of local businesses and supporting local non-profit groups. Currently we are in the exploratory phase of the project, gauging interest, seeking partners, and discussing ways in which to bring America's Pastime to Napa.
