Speaker Program: Cope Family Center

Cope Family Center was founded in 1972 by a group of concerned parents after a child abuse related death. Linda Thomas led this group of dedicated volunteers, who envisioned all of Napa's children growing up in safe, nurturing homes. Despite the changes in our community over the past 40 years, this vision is still significant and applicable today.

Cope Family Center's mission is to empower families to create happy, healthy lives for their children through child abuse prevention, parent education and self-sufficiency services. Cope's staff and volunteers have worked with tens of thousands of families since our inception, serving approximately 3,000 families, raising over 5,000 children each year.

Our success today is due to the hard work of staff and volunteers who helped countless families over the past 40 years.
