What's Up?

### Your Sunrise Rotary Bulletin

**Note to Members:** Our Master Web and Bulletin designer Debby Wheeler has returned from the East Coast and now you will receive your on line Bulletin that you may have noted missing the past few weeks. Thanks to Jim Beazley for filling in as the Club Scribe for Charlie Bogue this past meeting.

**Meeting Date:** Thursday October 30th, 2014

**Welcome:** President Mark welcomed the group to our weekly breakfast gathering and the beautiful Silverado Resort and Golf Club.

**Pledge & Thought:** Another Mark, Mark Lesti did the honors with providing leadership in the pledge to our flag and a thought to guide us through the day.

**Song:** Song leader Ron lead the group over uncharted waters in singing the theme song for the 1980s sitcom Cheers "Where Everybody Knows Your Name" to very limited success.

**Visiting Rotarians:** None noted.

**Guests of Rotarians:** None noted.

### Announcements:

**Barry Thompson** reminded us (fair warning) of the upcoming (starts Nov 24th) Bell Ringing at Trader Joes and passed around the signup sheet.

**Chris Craiker** passed the signup sheet for next week's Table (Tuesday the 4th). He's got plenty of servers but needs more COOKS! So contact Chris.

There are only a few days left to sign up for Foundation Dinner South on November 8. If you are already signed up you will enjoy great food, blues and jazz, entertainment, the chance to win a trip to Puerto Vallarta and other prizes, and a celebration of the great works of the Foundation and the contributions of the Rotarians that made it happen. If you haven't registered click the link below and as always, if anyone in your club is not receiving the invitations contact Valerie Hulsey [valerie.hulsey@yahoo.com](mailto:valerie.hulsey@yahoo.com).

### Happy Dollars:

**Doris Gentry** led off the happy \$\$\$ with a \$100 going to the "Todd Walker Memorial fund" (this must be an "inside joke") she was celebrating the success of her Cabernet and Chocolate fundraiser last weekend..... **Mark Luce**, celebrated FEMA finally coming through for us by donating \$50 to a Paul Harris for Madison Bumgartner (swear to God!).....**Steve Rodriques** donated \$250 to the club for his new car.....**Debby Wheeler** just back from a trip to the other coast, was \$50 happy..... **Becky Peterson** celebrated her 20th anniversary and her mom's 80th Birthday and a Grandson's 2nd BD in New Orleans. She donated \$100 (to the club I think she said).....**Mark Diekroetger** was fined \$1 for being a Cardinals fan and he donated another \$25 for an alleged new car..... **Mark Willey** is fresh back from an airport executives convention back east and attended a smashing fund raiser at Kenzo Estate and still had money left over so he made three whopping donations: \$100 to the Rotary Foundation; \$100 to his Paul Harris and \$250 to Pathway Home. .... **Tom Tanaka** confessed to spending a boat load of money at a Kenzo Estates charity event for the Queen of the Valley Hospital and had "only" \$100 left for his Paul Harris.....**Mike Murray** donated \$50 to celebrate the Giant's winning the World Series and

**murray** donated \$50 to celebrate the Grant's winning the world series and another \$50 to celebrate Mark Diekroetger's new car (guilt money no doubt for snitching).....**Hugh Linn** donated \$50 because he's so happy the Science Fair was successful and OVER!.....**Colleen Clark** donated \$25 to the Science Fair.

**Rotary Joker:** THE ROTARY JOKER has \$449 in the pot (still) because David Anderson did NOT win today's drawing but did have a winning ticket, and did get \$10 back.

**Special Recognition:** President Mark helped us celebrate one of our long time Silverado servers, Jody Paign, who has been at the Country Club for 34 years!

**Speaker Program: Dr. Paul Row**

The Craft Talk today was presented by Dr. Paul Row who introduced us to his family (a picture of his wife of 25 years and two boys) and talked about his medical practice specializing in treatment of the eyes. His fine speech complete with photos spoke of the leading causes of blindness: Cataracts. Glaucoma and Macular Degeneration and how he goes about treating (or preventing) these scourges of our aging eyes. Many of us were ever so grateful not only for the information, but that his videos of some of these eye procedures did NOT work.

**Concluding Breakfast:**

President Mark sent the group out with wishes for a successful week.
