**WELCOME** by President *John Cordeiro*

### **PLEDGE & THOUGHT**

*Howard Haupt eloquently reflected on the MEANING of our memorializing epic events like 9/11. Howard recalled the sense of community at last night's dedication of the Napa's memorial. He spoke of the contribution of efforts by so many Rotarians like George Nielson. Of the great presentation by Brad Wagenknecht, of the efforts by Mike Murray and others. Because this was the 11<sup>th</sup> anniversary of the attack, Howard pointed out a new generation of our children weren't even born when it occurred. We memorialize for them; not just 9/11 but other epic events in our history: Pearl Harbor, Gettysburg, Hiroshima and the end of WWII. We need to teach our children and grandchildren that the important things are the lessons learned. And through these rituals of remembrance we gather as community to celebrate all that is good even as we remember the bad things that occurred. For while we have been changed by the bad, we are reminded that we are surrounded by good people constantly striving to make our community and world a better place.*

**SONG:** Ron Driscoll led us in "America!" in honor of the 9/11 anniversary.
