The Governor is Coming

By Jeffrey Hayden

2016-06-24

Please mark your calendar. On Tuesday, July 26th, we'll be meeting at S.A.L. with District 5150 Governor Jeri "the Fuj" Fujimoto, who will bring us a gift basket from Half Moon Bay Rotary. Yes, this year, each club she visits will pass along a basket to present to the next club, for auction. We will auction off the basket to benefit the Rotary Foundation; and thereafter we will present Governor Jeri a basket to present to Menlo Park. Why are we doing this? To benefit RI, of course. If this leaves you with more questions than answers, you need only mark your calendar and attend the event.

Areas of Service - Pick Your Committee

By John McAfee

2016-07-06

To date, ten of our members have chosen a committee on which to serve. Fewer still have volunteered for Club service. This is your opportunity to choose a committee upon which to participate.

Jeff will bring a committee listing to the meeting on Tuesday, with all of the selections made thus far. So, if you have not chosen a committee to serve, worry not: Jeff will bring the list and accept requests right up until the end of Tuesday's meeting.

So that we may proceed to our committee work, Jeff will assign committees for those who have not selected by the end of Tuesday's meeting, with a preference to maintain existing committee membership for those who have not elected otherwise.

- o **Vocational Service**, under the stewardship of **Judy Cooper-Higday**, calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.
- o **Community Service**, under the leadership of **Sarah LaTorra**, encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.
- o **International Service**, under the leadership of **Scott Schwartz**, exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- o **Youth Service**, under the stewardship of **Fred Strathdee**, recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards and Rotary Youth Exchange.

Please send your committee preference to Jeff at 2016-17@comcast.net. Jeff will circulate a finalized committee list by July 19th (our 1st breakout session).

Moreover, Jeff would like to secure some additional help with the operation of the club, in the following:

- o Assisting **Carlos Bolanos** and **Glenn Nielsen** in Membership
- o Assisting in setting up for meetings
- o Assisting **Michael Spanton** in Public Relations

These present especially intriguing opportunities to really make an impact without a large time commitment.
