## Our Weekly Meeting

By John McAfee

2016-06-28

### Our Weekly Meeting

On Tuesday, Jeri Fujimoto, District 5150 Governor, will visit the club.

At 9:30, an informal meeting to meet with club leaders, to assess how we are progressing and see how the district leadership can assist. ALL MEMBERS ARE WELCOME TO DROP IN THROUGHOUT THE MORNING. A light breakfast and coffee will be served.

At 12:15, our regular meeting will feature Governor Jeri as our speaker. ALL MEMBERS ARE STRONGLY ENCOURAGED TO ATTEND.

Too many Board members have scheduled vacations -- each, I'm sure, thinking the others would be present -- and I'm writing to ask that if you are active in the club, please come to spend the morning with us. Get to know the district leadership. Let them see the enthusiasm that exists in our club, the future of our club.

We will meet at the Sheriff's Activities League  
3151 Edison Way  
Redwood City, CA 94063  
Office: [650-257-3400](tel:650-257-3400)

My thanks go out to Barbara Bonilla and the Sheriff's Activities League for hosting us.

## The Governor is Coming

By Jeffrey Hayden

2016-06-24

Please mark your calendar. On Tuesday, July 26<sup>th</sup>, we'll be meeting at S.A.L. with District 5150 Governor Jeri "the Fuj" Fujimoto, who will bring us a gift basket from Half Moon Bay Rotary. Yes, this year, each club she visits will pass along a basket to present to the next club, for auction. We will auction off the basket to benefit the Rotary Foundation; and thereafter we will present Governor Jeri a basket to present to Menlo Park. Why are we doing this? To benefit RI, of course. If this leaves you with more questions than answers, you need only mark your calendar and attend the event.

## Club Honored with RI President's Citation

The Rotary Club of Redwood City was one of a handful of clubs to be honored with the Rotary International President's Citation for RY 2015-16. This award is based on a set of criteria established by Rotary International that aims to improve the overall performance, community position and outreach of clubs at a local level.

District 5150 Former Assistant District Governor Glen Rojas presented the 2015-16 Presidential Citation to Immediate Past President John McAfee at the club meeting on July 12, 2016. Glen shared a list of the club's accomplishments covering RY 2015-16 that included the induction of new members, participation in local and international projects, community involvement and fundraising, participation in Foundation Programs at the local, district and international levels along with noting the club's efforts to align itself with RI branding standards and social media presence.

Past President John McAfee thanked the 2015-16 Board of Directors for their support and leadership and noted that it takes involvement from all club members to make this type of recognition possible. Current President Jeff Hayden noted that last year's successes give the club an amazing stepping off point for 2016-17.

## Youth Services Grants

By John McAfee

2016-07-20

On July 19th, Youth Services Chair Fred Strathdee presented over \$4,500 in grants to local charities. Donations we presented to STAR Camp, the Salvation Army, PCC, the YMCA and other local charities. Lt. Francine Huck from the Salvation Army indicated, "This grant will help us serve the local community by providing needed services to at risk populations."

These grants demonstrate the coordinated effort of local charities and Rotary in helping those in need.
