This fundraiser—a club tradition since 2002. This year’s version features a competition between the various committees of the club. The final results will be announced for our club contest. **IF YOU WERE AWARDED A HAT, PLEASE BRING IT ON TUESDAY;** we will be taking a group photo.

## The Governor is Coming

By Jeffrey Hayden

2016-06-24

Please mark your calendar. On Tuesday, July 26<sup>th</sup>, we’ll be meeting at S.A.L. with District 5150 Governor Jeri “the Fuj” Fujimoto, who will bring us a gift basket from Half Moon Bay Rotary. Yes, this year, each club she visits will pass along a basket to present to the next club, for auction. We will auction off the basket to benefit the Rotary Foundation; and thereafter we will present Governor Jeri a basket to present to Menlo Park. Why are we doing this? To benefit RI, of course. If this leaves you with more questions than answers, you need only mark your calendar and attend the event.
