

You and your organization are invited to participate in Phoenix Rotary 100's Corporate Membership Program

This membership program is designed to allow you and your organization one Active Membership and one Executive Membership in Phoenix Rotary 100. The Executive Membership is only for the CEO/President or a senior executive of your organization. The Executive Member will not have attendance or other participation requirements, but will receive all of the privileges and opportunities of an Active Member.

*Founded in 1914, Phoenix Rotary 100 is part of the
world-wide fellowship of Rotary International.*

Who Qualifies?

Major community-conscious corporations and organizations operating in a worthy and recognized business or profession are qualified to become members. Both the organizations and the individuals who may become members must be of good character and business reputation.

This membership differs in several ways from a typical Rotary membership: The annual dues cover both the Active and the Executive member; this membership always stays with your organization. If either the Active or the Executive member changes jobs, quits, or retires and it is necessary to replace either or both of them as Phoenix Rotary 100 members, there will be no additional initiation fee or dues assessed if the membership is filled within a six month period.

What are the Costs?

A one-time initiation fee is \$1,000 and annual dues are \$1,160 (\$290 per quarter), which covers both the Active Member and the Executive Member. These charges entitle the Active Member and the Executive Member to attend an aggregate of 48 seatings at our regular Friday luncheon meetings each year, with those seatings available to the Active Member and the Executive Member in any combination up to 48 seatings. The Corporate Membership will be charged the regular guest-luncheon price for each seating above an aggregate of 48 seatings per fiscal year. The Active Member will be subject to the normal requirements as to attendance and donations for missed meetings, early departures, and other regular

membership requirements and the Executive Member will not be subject to any such requirements.

Current Phoenix Rotary 100 members who opt to change their membership to Corporate Membership status will be required to pay the balance of the \$1,000 initiation fee (i.e. the increment above the previously paid initiation fee) and will be billed \$290 at the next billing date.

Can others from the firm be members?

Yes, a third member representing the organization will be charged the regular initiation fee of \$275 and annual dues of \$1,160. This member must meet the normal criteria for admission and the normal obligations of attending meetings and participating on committees as an Active Member. The Executive Member and this third member (i.e., the second Active Member) also will be entitled to an aggregate of 48 seatings per fiscal year as discussed above, i.e. the Executive Member can share an aggregate of 48 seatings with each of the two Active Members.

Why should your organization be part of Phoenix Rotary 100?

Phoenix Rotary 100 is one of the oldest, largest, and most active service clubs in America. We promote our Corporate Members as community-conscious citizens who practice "Service Above Self." Each Corporate Member will be featured in our membership directory and mailings.

The Active and Executive members will enjoy our weekly programs, which include national, regional, and local leaders in business, politics, science, the arts, law, medicine, education, social services, and other fields, who speak on matters of critical importance to your business and to the future of our local community.

Experience tells us that many busy executives avoid membership in service clubs because of attendance requirements. There are no attendance requirements for the Executive Member. This special type of membership allows a community-conscious organization the opportunity to maintain its membership year after year.

The Active and Executive member also will have access to the fellowship and business contacts of the 200 members of Phoenix Rotary 100, community outreach programs, and other opportunities, which include raising and donating hundreds of thousands of dollars of financial support, and many hours of in-kind support to worthy charities like the following:

We also sponsor Rotary's International Ambassadorial Scholarships, International Youth Exchange Programs, Rotary Youth Leadership Awards, a high school speech contest for the young people of Arizona, and many other worthy programs.

The Rotary International Foundation has made a significant difference, both locally and internationally, through its charitable and educational programs. Matching grants are available and are made for a wide range of activities. Working together, your organization and Rotary International will make the results even more significant. As a Corporate Member of Phoenix Rotary 100, your organization automatically will be a member of Rotary International.

Benefits of Corporate Membership in Phoenix Rotary 100

Our corporate members advance their own organizational objectives as they collaborate with 200 business and civic leaders to strengthen our community and foster goodwill here and around the world. They enjoy specific business benefits, including the following:

Benefits for Your Organization:

Ethics: Rotary's reputation of "service above self" and our "4-way test" assured the Bill & Melinda Gates Foundation that its \$250,000,000 grant will be used effectively for Rotary's campaign to eradicate polio from our planet – that's ethics in action.

Networking: Meet professionals who may be or may become clients, suppliers, investors, elected officials – people who can help your organization.

Leadership Development: Challenge your people to cultivate leadership talent by participating in and chairing Rotary events and projects.

Employee Morale: Encourage your employees to share Rotary's values and enjoy the camaraderie of working together on "hands-on" community projects.

Visibility: Enhance your visibility by sponsoring and supporting local and international Rotary events and community projects – extend your sphere of influence.

Benefits for Your Community:

Infrastructure: Enhance the local and world community in which your organization, your constituents and your neighbors can thrive.

Inspiration: Lead the way – inspire other organizations to join you in building a better local and world community through collaboration on Rotary projects.

Impact: Pursue local, national and international friendships and goodwill when you visit some of the 33,000 Rotary clubs in 165 nations around the world.

Recognition for Your Organization:

- Reciprocal web-site links (yours on ours and/or ours on yours) at your option.
- Perpetual listing in the Phoenix Rotary 100 weekly newsletter.
- Sponsorships of our Gala, Golf Tournament, Speech Contest, Hero's Program, Young Man/Woman of the Year, International Exchange Students Day, etc. at your option.
- Rotary support for civic organizations and projects you care about and suggest, where we have a confluence of interest.
- Corporate Member Table at each club meeting with your marketing collateral and a signboard showing the names and logos of our Corporate Members.
- Special recognition in the Phoenix Rotary 100 Yearbook/Roster.
