Bill Patton

Bill visits us from the Air National Guard and tells about its history and its mission.

FOUR WAY TEST

Of the things Rotarians
Think, Say, and Do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Prayer:

Lord, for the blessings of our daily lives we give you thanks. By this food strengthen us to serve others in the community through the many projects and programs of our Rotary Club. Enable us to continue to do good works. Amen.

In Rotary, we recognize March as Literacy Month. This is when we focus on the importance of literacy and education in our humanitarian service. We have seen again and again what a critical role literacy plays in a healthy and productive life. Being literate does not just mean having the ability to read a book or a newspaper. Being literate means being able to comprehend the instructions on a medicine bottle, a set of directions, or a job posting. It means understanding the note written by a child's teacher. It means being able to use a computer, follow a recipe, or apply for a mortgage. Literacy means being part of the larger society. It means inclusion, and it means empowerment.
