May is Rotary History Month

In May 1914, Rotary clubs in Great Britain and Ireland met in London and agreed to form the British Association of Rotary Clubs. They elected R.W. Pentland as the first president of the organization, which was to have its own constitution. The next month, at that year's Rotary convention in Houston, the International Association of Rotary Clubs recognized the British group as a legitimate extension of Rotary, and clubs in Britain agreed to affiliate with and pay fees to the international organization.

* designated for every year of Paul Harris distinction.
