Special Guest Brett Petersen

Brett Petersen, MSW, is the Director of Caregiver Services at Duet AZ and has been in this role since June 2011. Brett has a Masters in Social Work and is a proud graduate of ASU. Brett facilitates 11 support groups a month and hosts several workshops and trainings for family caregivers. Brett and his wife had their first child this year and he loves being a new dad.

For nearly 30 years, Duet has worked diligently to improve the quality of life for older adults across the Valley. Duet focuses particular attention on the needs of homebound elders and adults with disabilities, family caregivers, and grandparents raising grandchildren. Duet reaches out to the wider community by teaching nurses how to combine their faith with their professional skills – to promote health and well-being in their respective faith communities. By working in tandem with others, Duet helps create a stronger and more caring community.

Kino Dictionary Project

The annual Kino Bay trip was a great success. The students were so excited to receive their very own dictionary. Thank you so much to Howard & Lynne for hosting and coordinating everything. The weather was awesome, the water was warm, and lots of good times were had by all.

Dia de los Muertos

Our Dia de los Muertos fundraiser at the Mesa Arts Center will be this weekend on Saturday from 10am until 5pm and Sunday from noon until 5pm. If you would like to come out and help man the hot dog cart, let us know. Or, if just wanna come out and relax, there are lots of things to see and do - great for the family.

Prayer

Lord, for the blessings of our daily lives, we give you thanks. By this food, strengthen us to serve others in the community through the many projects and programs of our Rotary Club. Enable us to continue to do good works. Amen.

- Follow your dreams! Except that one where you're naked in church.
- Heaven is Where: My short-term memory is not as sharp as it used to be. Also, my short-term memory's not as sharp as it used to be.

- In just two days from now, tomorrow will be yesterday.
