

Dear Friend,

The Interact Club of Cenla is hosting a Dog Walk, downtown Alexandria, March 11th @9AM. We are in dire need of sponsors for this inaugural event. The City of Alexandria is very excited and anticipates that this will be an annual event as we all continue in our efforts to revitalize "Downtown!"

All proceeds from this event will strictly benefit BARK and CAFA as they continue in their efforts to rescue, shelter, and medicate animals, before adopting them out.

The Interact Club is a group of teenagers from various schools in Rapides Parish who like to give back! Our motto, like Rotary, is "Service Above Self." Rotary of Alexandria is our sponsoring Rotary Club. In years past, we have raised funds for UNICEF, but this year, the club made the decision to help someone local, and we couldn't think of a better group than BARK and CAFA.

Attached is a sponsorship form should you decide to participate. Please contact me at 318 452-0144 with any questions. Our website, www.bowwowcenla will be up soon!

Thanks so much for your consideration,

Marilyn S. Carlin
