August 15, 2018

Dear Fellow Rotarians,

As we embark on our 7th year of existence as a club, I'd like to thank you all for your efforts and dedication to Rotary. We all have varying commitments to projects, family, work, etc.

It is fair to say that we have become a family over these past years. With family comes ups and downs, yet through it all we strive to embody and uphold the ideals of Rotary above all else.

Through this dedication to a common goal, our best work lies ahead of us. In 2018-2019 I'd like to help our local missionaries become more efficient with getting their medical supplies into Haiti. Perhaps we can partner with a Haitian club on an international project.

With regard to membership, one potential avenue to increase our numbers would be to enroll corporate members. I encourage the membership committee to investigate this possibility at its earliest convenience.

Lastly, with uncommitted funds, I would encourage the Board and general membership to consider purchasing playground equipment to benefit all citizens of Rayne and the surrounding communities. The equipment would be housed and maintained by City parks.

These are a few of my goals for this year. None of them can be accomplished without the support of our entire club. I look forward to working with all of you. I welcome your ideas/feedback regarding these goals. I have big shoes to fill based upon our past leadership, but I embrace the challenge.

Thank you all for your continued dedication to Rotary!

Yours in Rotary,

James A. Fontenot, President 2018-2019
