### Don't miss your chance...

Cameron Mackintosh's spectacular new production of Andrew Lloyd Webber's THE PHANTOM OF THE OPERA will come to Miller Auditorium as part of a brand new North American Tour. Critics are raving that this breathtaking production is "bigger and better than ever before" and features a brilliant new scenic design by Paul Brown, Tony Award®-winning original costume design by Maria Björnson, lighting design by Tony Award®-winner Paule Constable, new choreography by Scott Ambler and new staging by director Laurence Connor. The production, overseen by Matthew Bourne and Cameron Mackintosh, boasts many exciting special effects including the show's legendary chandelier.

Beautiful: The Carole King Musical tells the inspiring true story of King's remarkable rise to stardom, from being part of a hit songwriting team with her husband Gerry Goffin, to her relationship with fellow writers and best friends Cynthia Weil and Barry Mann, to becoming one of the most successful solo acts in popular music history. Along the way, she made more than beautiful music, she wrote the soundtrack to a generation.
