Tornado Relief Effort

REGISTER NOW to help with tornado Relief Thursday - Sunday

Our neighbors in southern Indiana were hammered by devastating tornadoes and storms just over a week ago. Thankfully, we are in a position to help. Our District 6560 Disaster Relief Trailer and volunteers are being called into service. Our Chair, Mike Miller, Rotary Club of Plainfield, is working with the Salvation Army and other agencies. He was on site today in Marysville, Indiana, and is asking all who are able and willing to answer the call to service.

The work days are as follows: Thursday - March 15, Friday - March 16, Saturday - March 17, and Sunday - March 18

If you have questions or concerns regarding registration, please contact DGE Craig Sherman, at 1213dg6560@gmail.com or by calling 317.410.8080.

Our group will be doing tree and debris removal. Please dress appropriately. Leather gloves, boots and rain gear are strongly recommended. We need three additional chain saws and four-wheel drive vehicles are also needed, if possible. The Rotary Club of Danville generously equipped our trailer with one chain saw already.

The Salvation Army is providing our team with overnight accommodations, if needed, at the Country Lake Christian Retreat Center, (approximately 15 miles from Marysville).

Please join us if you can. Our plan is to meet at 8:00am on Thursday, March 15th at the Cracker Barrel at the Scottsburg exit (mile marker 29A.) From there, we will drive to Marysville to Fire Station #2 on Nabb Marysville Road (approximately one mile SE of Marysville.) Please check-in there upon your arrival for a work assignment.

If you have questions or concerns, please call Mike or e-mail Mike directly. His contact information is as follows:

Mike Miller CPCT/BAT

Please join me in thanking Mike for his leadership and efforts. It is through his work that we are able to reach out to our fellow Hoosiers.

Finally, thank you for your generosity. Many clubs and individuals have stepped-up to fund a district-wide relief effort. If you cannot join us, please keep our team and the residents we'll be

Progressive Dinner - March 17

This is a reminder that our progressive dinner will be on Saturday, March 17th and will commence at Tony and Joy Campbell's house for appetizers and drinks. All of the attendee's names will be put in a box and there will be a drawing to see who goes to which Rotarian's home for dinner (couples go to the same place). Afterward we will meet at Ginny Allen's house for dessert and entertainment.

Carnegie's is preparing a chicken dinner similiar to last year which was delicious. The cost is \$25 per person, payable to the Rotary Club of Greenfield if you write a check. People have already offerred to bring desserts so you will be asked to bring either a bottle of wine or a gift of minimal value for our entertainment participants.

Registration for this event is now closed, however, we are looking forward to having a great time! See you there!

Mozzi's Pizza Buffet Fundraiser - March 19

All you have to do is come out to Mozzi's Pizza in Greenfield, purchase the buffet, and our club gets half of the profits from buffet sales for the evening. So, bring all of your family and friends out for an evening pizza party and help support our club!

Rotary Foundation Matching Points Has Begun

A new round of matching your TRF contributions with points from our Club began on March 1, 2012. Checks for contributions made payable to "The Rotary Foundation" and given to Club Foundation Chair Bob Campbell will be matched with one additional point for every dollar donated. The check must be for a minimum of \$100 and will be matched point for point up to \$250 maximum. These extra points will help you reach your first Paul Harris Fellowship recognition level or your next level if you already have a PHF.

In addition, for every \$100 donated you will have your name

entered one time into a special drawing to be held April 5, 2012. Some lucky Club member will be awarded an extra 1000 points. The winner will be allowed to use the points themselves to reach a new PHF level or they can transfer the points to a family member,

friend, business associate, or another Club member, to honor that person with a PHF recognition.

Our goal as a club is \$120 per member this year donated to TRF. Sooooo... bring your checks this Thursday, or any of the five Thursdays in March, and help the Club meet its goal, help the Foundation do the wonderful work that Rotarians do around the world, get some matching points, and maybe win an additional 1000 points for you or someone you want to recognize with a PHF.

Thanks for all you have done for TRF. I am proud to be your Club Foundation Chair,

- Bob Campbell

Wine to Water

The Rotary Club of Greenfield's 3rd Annual Wine to Water, a wine and beer tasting event, will be held on April 21st at Heartland

Resort. Guests will be able to taste wine and beer from local establishments such as Smith's Winery, Madison County Winery, Triton Brewing Company, The Upland Brewing Company and Ste. Germain for a ticket price of only \$25.

Appetizers and desserts will be served, and a live band will be on hand for entertainment. A silent auction will also be held throughout the evening.

This year, the proceeds from this event will be used for a WASRAG (Water & Sanitation Rotarian Action Group) partnership project. Each Rotary Club's donation of \$5,300 will be matched with \$22,600 in funds from Africare, H2O For Life and

of the Board of Directors.

P&G's Children's Safe Drinking Water program. The funds from this event will be used at the Mpachika Full Primary School in Malawi for installing fresh water systems, improved and expanded sanitation services and hygiene education for it's 1,345 students.

According to UNICEF, among children under 14, more than 20% of deaths and disabilities are caused by unsafe water, inadequate sanitation or insufficient hygiene.

Hookworm infestations, caused by these things, threaten the long-term development of one in three school-aged children. We can change the course of these children's lives, allowing them to focus on an education rather than collecting unsafe water and healing from illness.

Students at the Mpachika Full Primary School in Malawi

We are very excited about this project since it truly puts faces to the money we raise. We are working to get additional photos of the school and the children, but in the meantime, I have attached a photo of some of the students at Mpachika.

In the past, we have easily raised this much money and we can do it again with your help! Here's how you can help turn Wine into Water for these children...

Buy tickets and encourage your friends, neighbors and family to do the same! This is certainly a social event and fun for everyone (21 & over that is!). It's a great way for non-Rotarian's to be a part of an event for a great cause. For tickets, contact Sara Joyner (317-507-3607) or Monica Kowaleski (317-402-0222). Sponsor the event. We are seeking sponsorships at various levels.

- Table Sponsor - \$150 - Receive two tickets and an 8 ½ x 11 advertisement at a table during the event. (\$100 DONATION)
- Bar Sponsor - \$300 - Receive four tickets and recognition at the cash bar during the event. Additionally, receive mention on the tasting cards. (\$200 DONATION)
- Band Sponsor - \$500 - Receive four tickets and recognition at the stage during the event. Additionally, receive mention on the tasting cards and throughout the event via the band. (\$400 DONATION)

Donate an Auction Item. Big or small, we'll take them all! Hotel stays, gift certificates, and bottles of wine are all great ideas. Thank you in advance for your support and we look forward to a fantastic event!
