President's Day 2014

Proud reflection over the past Rotary year gave away to anticipation of the new year of leadership as Chris McNeill turned over his gavel to incoming President Jamie Futrell. In fact, 2015 will be a banner year because it marks the 100th year of the Paducah Rotary Club founded in 1915, and will be celebrated February 7th.

Past President Chris remarked on many of the Club's accomplishments over the past year, including the \$119,754.22 given to charities, as well as 428 pairs of shoes for children in need. The Club also just renewed a \$100,000 five year pledge to the Community Scholarship Program, which gives all students in McCracken County two free years of tuition at West Kentucky Community and Technical

College.

Chris also recognized many members who practiced "Service above Self" by serving on the board of directors, committee chairs or in other capacities. One Rotarian above all was honored for going above and beyond. Treasurer Scott Taylor was awarded Rotarian of the Year.

New President Jamie was quick to point out he had very large shoes to fill left by the many presidents who had led a club with, "tremendous history and great achievements." He said along with that comes great expectations of leadership. "The finest people that live in Paducah are in Rotary and this is a great honor," he said.

Past President Chris said over the past year the Club garnered a net gain of 6 members for a total of 193. As President, Jamie hopes for membership to once again exceed 200. Other goals include focusing on mentoring for new members and stepping up public relations to increase awareness of Rotary in our community.

All Rotarians are grateful for Chris' service to the Club this past year and look forward to assisting Jamie in making the 100th year of the Rotary Club of Paducah the best in history.
