

## ROTARY'S FOOD LITERACY PROJECT DAY AT OXMOOR FARM

**Just Two Hours on Saturday, June 25, 2016**

Please join fellow Louisville Rotarians as we spend a few hours at the Oxmoor Farm, assisting the unique and much needed Food Literacy Project (FLP) as they **celebrate their Tenth Anniversary!** This experiential education program engages young people in the life of the farm and the wonders of sustainable farming. FLP emphasizes learning through discovery and exploration, and Rotary will be an important part of their anniversary celebration.

**Saturday, June 25<sup>th</sup>** will be a special day for this outstanding community project. The Farm will be opened for a community-wide event, and Rotarians are being asked to assist for a few hours to help set up for the Anniversary event.

Rotary volunteers will also have the opportunity to meet some of the children involved with the program, and may be part of cooking demonstrations prepared with harvested food. Build a great memory, and enjoy some fresh air and sunshine while assisting with an exciting community event!

Rotarians are asked to help in one 2-hour shift. Please check the time that suits you best on June 25th:
