Pat reported that about \$13,000 is currently in the Oak Ridge Rotary Community Fund account designated for the Dragon Boat Festival. Rotary Business

- In June 2017 the Rotary International Convention will take place in Atlanta. Thousands of Rotarians from all over the world will travel to attend the convention. We seldom get an opportunity to attend this exciting event right in our own backyard, and I strongly encourage everyone in our district to try to attend. To make it even easier to attend we are planning to charter buses to Atlanta for the convention.

Registration will open on May 28. **If you register before December 15, 2016, you can attend the entire convention for just \$340.** The registration will go up to \$490 as we get closer to June 10-14, 2017. You can register through the DACdb Calender.

- **What is Rotary?** Rotary is an international organization that **joins leaders** from all continents, cultures, and occupations to **exchange ideas**, bring our expertise and diverse perspectives to help solve some of the world's toughest problems, and **take action** to bring bout lasting change in our communities and around the world.
- **If you miss a meeting, be sure to make up during the two weeks before or after the missed meeting.** You can make up at another club or on line at one of these e-clubs:

Rotary Fellowships

Did you ever wonder how to connect with other Rotarians around the world who share your interest in a hobby or profession? Rotary fellowships are groups of Rotarians, Rotarian spouses, and Rotaractors who join together to

- share a common interest in worthwhile recreational activities (sports, hobbies, etc.);
- further their vocational development through acquaintance with others of the same profession;
- make new friends around the world;
- explore new opportunities for service; or
- have fun and enhance their experience in Rotary.

Examples of some Rotary fellowships are tennis, scuba diving, flying, or canoeing, but there are many others.

Each fellowship is operated independently of Rotary International, with its own rules, dues requirements, and administrative structure, and each fellowship elects at least three officers to oversee the group's administration.

Fellowships are expected to facilitate communication among their members and maintain regular communication with RI. Membership in fellowships is open to Rotarians, their spouses, and Rotaractors. Fellowships must be international in nature with active members in at least three countries.

Some of the benefits of being in a Rotary Fellowship are opportunities to form lasting friendships outside of the home club, district, or country and contribute to the advancement of world understanding and peace.

Learn more about Rotary Fellowships and find a list of existing fellowships at www.rotary.org/fellowships.

The Four-Way Test

1. **Is it the truth?**
2. **Is it fair to all concerned?**
3. **Will it build goodwill and better friendships?**
4. **Will it be beneficial to all concerned?**
