Colored. Another of his books, *Eight Habits of the Heart* -- about the transforming power of ordinary people--was read by former Supreme Court Justice Sandra Day O'Connor and resulted in an invitation for Taulbert to address members of the court and their guests. Most recently Taulbert's latest memoir, *The Invitation*, was chosen by *Forewords Reviews* as one of the top five memoirs of 2014. Again, Taulbert's unique style of writing and storytelling takes his readers on his journey where the "Old South" and the "21st Century" crossed paths for five years. Taulbert, the Great-Great-Grandson of slaves and the aging Mistress of Roselawn, a South Carolina plantation, is a clear example of what is possible when we dare to embrace our common and shared humanity. You will be moved and inspired by his message.

Thaddeus Rex will talk to us about the Science of Charisma. A Rotarian from Carmel, Indiana, Thaddeus inspires groups to use charisma to achieve their goals. He will walk out with his guitar and tell his story of being a musician, and how he came to be recognized as a nationally regarded motivational speaker.

Rick Jensen is a performance coach, sport psychologist, and author. His clients include more than 50 professional golfers on the PGA, LPGA and Champions Tours. His clients have won more than 200 tour victories and 33 major championships. Rick will enthrall you with what it takes mentally to be at the top of your game and how to prepare for and execute a winning strategy.

These are just a few of the dynamic speakers who will be at the District Conference. These speakers will be there not to tell you more about Rotary, but to show you how to be a better person, professional, spouse, and parent. All of that improvement will make you a better Rotarian!

It is especially important that you attend on Saturday. At the Foundation Breakfast Rotary International Director Karen Wentz will tell you about the work that the Rotary Foundation is able to achieve because of your support. Saturday night we will celebrate Rotary International President John Germ at the Governors Dinner. There will be several special guests with us that night and we will celebrate their service.

The lunch on Saturday will be very special. This is where we will celebrate all that your club has done this year! Celebrate Rotary Serving Humanity! We expect to give out more than 500 awards during the Parade of Presidents. Be there to cheer when your president's name and your club's name are called! This is your celebration for all the great work that you and your club have accomplished in your community and around the world!

- In June 2017 the Rotary International Convention will take place in Atlanta. Thousands of Rotarians from all over the world will travel to attend the convention. We seldom get an opportunity to attend this exciting event right in our own backyard, and I strongly encourage everyone in our district to try to attend. To make it even easier to attend we are planning to charter buses to Atlanta for the convention. Registration will open on May 28. The registration will go up to \$490 as we get closer to June 10-14, 2017. You can register through the DACdb Calender.
- **What is Rotary?** Rotary is an international organization that **joins leaders** from all continents, cultures, and occupations to **exchange ideas**, bring our expertise and diverse perspectives to help solve some of the world's toughest problems, and **take action** to bring about lasting change in our communities and around the world.

Last Week's Program

Russell Barker

Anderson County Crime Taskforce Director

Our program last week was presented by Russell Barker, Director of the 7th Judicial Crime Task Force of Anderson County. Barker, a lifelong resident of Anderson County, began his law enforcement career as a police officer. In 2011 he was assigned to the Crime Task Force, where he served as a special agent investigating and prosecuting narcotics trafficking in Anderson County. He spoke about crime in Anderson County, especially drug-related crimes.

According to Barker, local users don't know how to use heroin safely, and overdosing is a growing problem in Anderson County. The three opiate drugs most abused are crystal methamphetamine (ice), heroin, and prescription drugs (including fentanyl patches). "About 90% of the crimes in the county are related to drug use," Barker said. Anderson County used to be the number one meth lab county

in the state, but that has changed, and it is now about 15th. Thanks to increased law enforcement and new state laws restricting the sales of meth ingredients, the number of meth labs found in the county in one year shrank from 85 to 15.

Crystal meth is now being imported into Anderson County from Mexico and Central America. Heroin is transported to the county from Atlanta and Detroit. Law enforcement is now targeting drug dealers rather than addicts. Drug dealers in different cities tend to know each other. Oak Ridge was quiet last summer in terms of drug-related crimes because of a 32-county drug bust involving the Oak Ridge Police Department and many other law enforcement agencies.

When asked his opinion on legalizing marijuana in Tennessee, Barker stated positives and negatives. On the positive side, he cited the drug's benefit to those on chemotherapy and with PTSD. On the negative side, he explained how it is a gateway drug. In states that have legalized marijuana, social services have been strained with a great influx of homeless. In addition, dogs that are trained to detect drugs cannot differentiate between marijuana and other illegal drugs. It was also pointed out that there is no quick and easy test for marijuana like the breathalyzer test for alcohol.

Rotary Information

How Rotary is Organized

Today more than 1.2 Rotarians belong to over 32,000 clubs in more than 200 countries and geographical areas. Rotary International is made up of 538 Districts and 34 Zones.

Rotary is a grassroots organization, with service efforts carried out by members of Rotary clubs. District and international leaders support Rotary clubs and help them provide service in their local communities and abroad.

Clubs

Rotarians are members of clubs, which belong to the global association Rotary International (RI). Each club elects its own officers and enjoys considerable autonomy within the framework of Rotary's constitution and bylaws.

Districts

Clubs are grouped into Districts, each led by a district governor. District leaders, including assistant governors and various committees, help guide and support clubs. Annual district conferences celebrate achievements and bring Rotarians from different clubs together. The Oak Ridge Sunset Rotary Club is in District 6780, and the current District Governor is Fred Heitman, a member of the Rotary Club of Oak Ridge.

RI Board and Zones

The RI Board of Directors, which includes the RI President and president-elect, meets quarterly to establish policies. Directors are elected to represent Rotary clubs within a

particular zone (group of districts). The current RI President is John Germ, a member of the Rotary Club of Chattanooga. Our District is also represented on the RI Board by Karen Wentz, a member of the Rotary Club of Maryville-Alcoa.

The Rotary Foundation

The Rotary Foundation is overseen by its Board of Trustees, which includes the Trustee chair and chair-elect. Trustees are appointed by the RI president, with approval from the RI Board.

International and District Officers

The Four-Way Test

2. **Is it fair to all concerned?**
3. **Will it build goodwill and better friendships?**
4. **Will it be beneficial to all concerned?**
