Dear Rotarians,

Ready, Set, Inspire! The 2018-19 club and district leaders have been working tirelessly to plan and organize for another successful Rotary year. Now is the time to put all of those efforts into action! As the new Rotary year begins, follow through with plans toward meeting the goals your club set for Membership and Engagement, Rotary Foundation Giving, Service, Youth Leaders and Public Image.

This year will mark year 10 of our district wide fundraising effort in support of Children's of Alabama Critical Care Transport Team. We are close to reaching the original target of raising $1 million and I want to call on each of you to help us achieve that goal this year. There are opportunities for Rotarians in our district to help out financially as well as volunteer with this fun, family friendly tailgate event on August 18, 2018 at Otey's in Mountain Brook. Please mark your calendars and plan to attend and support Boiling N Bragging.

As one of the members of your district leadership team for 2018-19, I am delighted to have the opportunity to serve as your District Governor. We have 52 clubs in our district, each with its own unique characteristics, and each supporting their local communities in amazing ways. I want to encourage every Rotarian in the district to take advantage of learning opportunities available at the District and Zone level to develop leadership skills and deepen your knowledge and understanding of Rotary such as the Evanston Trip to visit Rotary International headquarters, Rotary Leadership Institute, Zone Summer Leadership Seminars and Zone Institute.

Every day I am inspired by Rotarians in our district who give tirelessly of themselves to serve our communities locally and globally. Barry Rassin, Rotary International President for 2018-19 has selected the theme “Be the Inspiration.” He asks each of us to “…inspire with your words and with your deeds, doing what we need to do today to build a Rotary that will be stronger tomorrow — stronger when we leave it than it was when we came.” I encourage each of you to be an inspiration to those around you – members of your family, your club, your community and beyond. Through your words and deeds, you can build not just a better Rotary, but a better world for tomorrow.

Yours in Rotary Service,

Carol Argo
District Governor 2018-2019
In late 1904, Chicago attorney Paul Harris had an idea, “Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion?” His idea was born, in part, from loneliness, and, in part, from acquaintance with a few tradesmen he had met after moving to Chicago from Vermont.

The idea gave birth, on February 23, 1905, to the creation of a club, meeting for fellowship at the various members' places of business. This rotation of the meeting place led to the name Rotary, and others soon began to join the group . . . a merchant, an engineer, a tailor, and more. As initial members traveled or moved, the idea spread and, by 1910, with 16 clubs, the National Association of Rotary Clubs was organized. When clubs were formed in Canada and Great Britain, the name was changed to International Association of Rotary Clubs and, in 1922, was shortened to Rotary International. Paul Harris was the first president of both the National Association and the International Association.

The Rotary Foundation lends his name, through Paul Harris Fellowships, to honor benefactors and donors who support the work of the Foundation and its worldwide humanitarian and educational programs. The Rotary Foundation continues to be the major vehicle of Rotarian service internationally.

Service Above Self –
They Profit Most
Who Serve Best
Dear fellow Rotarians:

We all took different paths to Rotary. I’m sure that you have found in Rotary what I have found since I joined my club back in 1980: fellowship and a sense of purpose. We belong to an organization that has had a profound impact on our world through effective, sustainable service. Since Rotary was founded, we have formed partnerships with like-minded organizations, launched the world’s largest public-private health initiative, and funded countless projects that have improved our local and global communities. It’s only by coming together that we’re able to accomplish so much.

And now, we have to look to the future and consider how we can continue to move Rotary forward. We have to make sure the good we do now leads to better lives tomorrow and beyond. We shouldn’t focus on this year or the next, but on how what we achieve will matter beyond our own time in Rotary.

As our new vision statement says: Together, we see a world where people unite and take action to create lasting change —— across the globe, in our communities, and in ourselves.

Our founder Paul Harris once said, “Rotary is a microcosm of a world at peace, a model which nations will do well to follow.” To me, Rotary is not only a model but an inspiration. I look forward to having you join me to Be the Inspiration our world needs.

Sincerely,

Barry Rassin

Rotary Clubs of District 6860 are divided into groups of from three to five clubs in a geographic area. Fourteen select Rotarians are “on-site” representatives of the District Governor for those clubs. AGs get to know clubs and club officers to a degree the Governor could not do with all 52 clubs. AGs help clubs formulate goals for the Rotary Year, help them prepare for the Governor’s official visit, assist with their projects, encourage attendance at district meetings, and help presidents-elect prepare for the next year.
