Lee Stuart
Lieutenant Colonel
United States Army (Retired)

Lieutenant Colonel, US Army (Retried) Lee Stuart delivered a Veteran's Day reflection on the service of those that proudly wear the military uniform including his children. He also reflected on a few of his combat experiences and his love for the dog that saved his life, *Boomer*.

Lee Stuart is the Founder and Director of the Native American Indian Management Organization better known as (NAIMO). He is a member of the Sappony Tribe, (www.sappony.org), located in the North Carolina, Virginia area. Lee is a retired U.S. Army Officer with 32+ years of Honorable service and has a very diverse background as a Trainer, Teacher and Educator. An Infantry Officer, Lee served with the 173rd Airborne Brigade in Vietnam, 1967 - 1968. Along with the Combat Infantryman's Badge, Ranger tab, Jump Wings and Aviator Badge he has received numerous other awards and decorations. Lieutenant Colonel Stuart is the recipient of two Purple Heart Medals for wounds received in combat.

In 1996 Lee was shot at point blank range with a shotgun by three teenagers during an armed robbery attempt. His Black lab, Boomer, interceded and ran the robbers off when they attempted to shoot him a second time. Boomer was selected as the Army Aviation Heritage Foundation (AAHF) mascot of the year in 2002 and Animal Planet "Top Dog" for 2004 in Atlanta. Boomer passed away in 2006 and Lee penned his memoirs of Boomer in a recently released book titled: *Boomer One of the Unwanted*.

Lee served as a consultant for DOD and US State Department in Iraq from 2003 to December 2008. Lee was the Senior Operations/Executive Officer for USAID to get the five Northern Provinces of Iraq infrastructure back up in 2003-04. In September 2005 Lee/NAIMO was awarded a grant to teach the Kurdistan Ministry of Education how to incorporate Character Education into their educational curriculum and was awarded a second grant in September 2006 to work with the Iraqi Ministry of Education. Lee was invited to the White House in March of 2006 to receive the personal accolades of President Bush and First Lady Laura Bush for his humanitarian efforts in Iraq.

Upon his return to the United States in December 2008, Lee started the Warrior FAMILY program whose mission is to help America's finest and FAMILY members deal with Post Traumatic Stress Disorder (PTSD) - (www.warriorfamilyprogram.com).

Lee is the former Mayor of Stockbridge, Georgia for 2010-2013. Lee was chosen by the North Carolina Commission of Indian Affairs to represent his Sappony tribe as one of North Carolina's Veterans for American Indian Heritage month for November 2010.

Lee's son is a Special Forces Lieutenant Colonel, his oldest daughter is an Air Force Lieutenant Colonel-former Army Blackhawk pilot and his youngest daughter is a SWAT Officer with the Henry County Police Department. Lee and his wife, Cheryl Lynn, have 6 children and 17 grandchildren.

Rotarians at Work --- Caring about FODAC

The Rotary Club of Stone Mountain donated time on Saturday November 10th to assist Friends of Disabled Adults and Children (FODAC) in sorting medical supplies for those in need. It was a great effort that was well attended with many volunteers. The pictures below clearly convey the fact that fellowship was at an all-time high and the project was a great success!!!

Submitted by George Miranda, DeKalb Medical Center

Low dose spiral CT screening for people at high risk for lung cancer is available at DeKalb Medical. The cost is \$149 for patients who pay cash. Only Blue Cross Blue Shield covers this screening (at least for now).

Persons at high risk are:

- (1) 55 years old to 75 years old; with a 30 pack-year smoking history; and quit smoking less than 15 years ago (or still smokes); OR
- (2) 50 years or older; 20 pack-year smoking history; and one risk factor: personal history of cancer; co-existing lung disease (e.g. emphysema); exposure to a carcinogenic substance (usually occupational exposure; e.g. asbestos, chromium, nickel, coal oil, soot, etc.)

Screening has not decreased death from smoking for people who are not high risk. However, for the high risk population, screening by CT scan has been shown to reduce death from lung cancer by 20 percent.

Information on lung cancer screening can be found on the website:

www.dekalbmedical.org (search for lung cancer screening) or call 404-501-LUNG.

Club Announcements

START TIME: Please arrive to the weekly meeting in enough time for you to socialize, go through the buffet and be seated by 12:14 p.m. **We will begin the meeting promptly at 12:15 p.m.**, so that we may end promptly at 1:15 p.m. At our request, the Smoke Rise Country Club has begun setting out the food by noon, which will assist us in starting our meetings as indicated.

DUES & FEES: **Thank you** for working with our Assistant Treasurer, Harry Strack, to ensure that our individual financial accounts are up-to-date. Remember, currently, our personal dues and assessments provide the majority of the funding for our club's work and support to other organizations.

ATTENDANCE: **Our goal is to achieve 100% attendance with all members at each meeting.** If circumstances cause you to miss our weekly meeting, be sure to make up your meeting by attending another club's weekly meeting; by participating in a service project, Board meeting or committee meeting; or by making up online by accessing the Rotary International website. **All documentation confirming make-ups should be provided to George Miranda, Club Secretary within two weeks of the missed date.** Online make-up confirmations will be automatically sent to George.

MEMBERSHIP: **Continuously be on the lookout for potential Rotarians. Remember, our goal is to attract them, not just recruit them.** With this in mind, we are working to become more involved in assisting the organizations that we financially support. From publicizing our community service, people who have similar interests may be attracted to join our club. Begin to make a list of friends who are like you and/or have similar interests that fall in at least one of Rotary's six areas of focus, but who you have not asked to join you at a Rotary meeting. Invite them!

As one of our holiday service projects, our club will, again, support the Salvation Army's Angel Tree Program. PP Bill Hawes will provide us with names, genders, and ages of children for whom we may donate gifts. We may also purchase items that will be made available for children and seniors whose names may be submitted to the Salvation Army closer to the season's holidays.
