Vocational Excellence Awards

By: Kathryn Sellers

"Rotary's Vocational Service awards focus on recognizing the value of and the highest ethical standards in all occupations, and those who use their vocational talents in meeting the needs of the community," stated Kevin Brunson, Rotary Vocational chair.

Each year Rotary Club of Dalton recognizes public safety employees in our community who go above and beyond the call of duty in performing their official tasks and who are exemplary representatives of their respective departments. They were chosen by both their superiors and their peers for the awards. Brunson added, "The award winners have contributed to our quality of life and have served far beyond their normal job requirements, living the Rotary motto, Service above Self."

Rotary congratulates and, on behalf of the community, thanks the following for their exemplary service:

Lieutenant Mike Miracle, Whitfield County Fire Department, presented by Assistant Chief Randy Kittle.

Firefighter II Barry Gilley, Dalton Fire Department, presented by Chief Bruce Satterfield.

Deputy Roelof Steyn, Whitfield County Sheriff's Department, presented by Captain Wesley Lynch.
