## Congressman Rob Woodall

We are fortunate to have Congressman Rob Woodall of the 7th Congressional District join us on Tuesday, April 21, 2015. This is an annual favorite meeting of our club members as you get one-on-one time with one of our representatives in Washington D.C. -- something that the vast majority of people in our area do not ever enjoy. Make it a point to be with us on Tuesday and bring your questions about the direction of our Country and our leadership in Washington.

## Derby -- Less than Two Weeks to Go!!!

TOMORROW . . . you know what remains to be done. Get in those auction items; get in those ticket sales; get in that wine; and get ready for the best party of the year. It takes a special club to throw a party and raise money for charity doing it, and that's what you are a part of.
