You paid for the ribbon; now let's cut it!

Part of the funds we raised last year at "Down and Derby" went to the Forsyth County Animal Shelter. The long awaited shelter is almost ready to open, and you can be a part of it. The event is on **Friday August 22, 2014, at 3:00 PM at 4065 County Way, Cumming, Georgia 30028.**

Seriously . . . someone needs to be there to keep Ann Margaret from adopting all the dogs.

You helped pay for the ribbon; now let's cut it!

LEADER

August 15, 2014

Changing lives. That's what our Rotary club is about. Whether it's ending polio, sponsoring foreign missions, or contributing to local causes like Eagle Ranch or the Wounded Warrior Project, we have spent our time and money making life better for others.

One project has its genesis in our club, and it does more than change lives -- it saves them. We've mentioned LEADER this year and we even toured the LEADER facility at the Almon Hill Center on Elm Street. But, there is no more powerful way to see what a difference LEADER makes than to hear Dr. Hogan talk about it.

Join us this Tuesday for a special presentation by our own Dr. Michael Hogan on LEADER, and you will understand why this program has been a part of our club for so long.
