Youth in Government and the Y

Brittany Hamilton, a Forsyth County, Georgia native, has a long history with the YMCA.

During high school and in college she was active in the local Y and worked summers at Y Camps across the southeast. Then, after college, Brittany accepted a position with the State YMCA of Georgia to become the Southwest District Director. After a few years in the Southwest, Brittany moved from Cordele back to Cumming, where she took over the position of Northwest District Director which encompasses Forsyth County. Brittany will join us on Tuesday, February 24th to talk about the State Y, its programs and its role in our area.

Derby -- Let's keep it going . . .

After our club meeting on Tuesday we will have a brief meeting with our event planner Laura Stewart to focus in on the things to work on improving from last year. Several people have expressed an interest in participating in this meeting and I want to encourage all of you who have an interest to hang around.

BUT EVEN MORE IMPORTANTLY -- we all have a part to do in selling tickets to this event and in recruiting corporate sponsorships. We have just a little over two months!!! Let's get it going folks.

Mock Interviews

The Forsyth County School System is looking for leaders in our business community to participate in Mock Interviews of high school students. If you are interested in participating please follow this link for more information: <http://www.forsyth.k12.ga.us/Page/45663>

Planning to Protect -- Postponed

After consulting with the folks from the E-911 Center we determined it was best to postpone last Saturday's Estate Planning Event. However, we are already trying to nail down a date in March so please stay tuned for the new schedule and how you can help those who serve us every day.
