Important Board Meeting

All Board Members please try to stay after to attend a brief Board Meeting today to make a significant decision regarding Derby Days.

Tourism in Forsyth County

When it comes to Tourism in Forsyth County most people immediately think of Lake Lanier and not too much else. Tuesday's program (February 3rd) which includes Anna Barlow (Cumming-Forsyth County Chamber of Commerce Tourism Director) and Jim Pryor (Forsyth County Parks and Recreation Director) will take us beyond Lanier's waters to see all the tourism and recreational opportunities that Forsyth County has to offer.

Education in Forsyth County

If you have a Facebook account, read the paper, or generally convert oxygen into carbon dioxide within 100 miles of Forsyth County you have heard about the excellence that is the Forsyth County School System. On February 10, 2015, be at the Lanier-Forsyth Rotary Club meeting to break bread with and ask questions of Dr. Jeff Beardin, Superintendent of Forsyth County Schools.
