First Meeting of the New Year

June 27, 2014

On July 8, 2014 we will gather for our first meeting of the new Rotary Year, but we will not be at our normal location. Instead, we will start off the new year right by formally giving back to our community in a big way. We will meet at 7:30 AM at the Almon C. Hill Education Center in Cumming, which is located at 136 Elm Street, 30040. During this meeting we will spend time with LEADER, one of the benefactors of our 2013-2014 fundraising efforts, and will deliver a donation check to LEADER in the amount of \$14,000.00. Please make every effort to attend this special and significant meeting for our club.

Meeting of July 15th

June 27, 2014

The Georgia Mountains Regional Commission ("GMRC") is a state agency made up of the local governments in a thirteen county area of Northeast Georgia, including Forsyth County. W. Danny Lewis is the Executive Director of the GMRC and will join us on this date to talk about the GMRC, the services it provides to our region, the millions of dollars in grants that the GMRC has secured to help development in our region, and the program it was asked to take over and save -- Workforce Development. Join us on the 15th to learn about this vital agency with the mission to support and encourage economic development on a regional level.
