Randall Toussaint: VP for Economic Development

Randall Toussaint serves our community as the Vice President for Economic Development with the Cumming-Forsyth County Chamber of Commerce. For those with ties of any length to this community, you know that this role carries with it great assets as well as great expectations. The Cumming-Forsyth County Chamber of Commerce, in connection with the Forsyth County Government, the Development Authority of Forsyth County, and the City of Cumming, is looking ahead to bigger, better, and strategic advances for economic development in our area. Randall Toussaint is at the center of that endeavor, making sure that our community remains a great place for businesses to build, grow and succeed. He will join us on Tuesday, June 2, 2015, for a program about our economic development progress.
