Demographics

Demographics -- they are more than just numbers we look at on a census once every ten years. Demographics tell the story of who we are and in what direction we are heading. Demographics tell us about our culture, our common heritage, how we are alike and how we are different from our neighbors. And, perhaps most importantly, Demographics tell us and those businesses and individuals thinking about moving to our area what they can expect when they arrive.

Join us on Tuesday, June 23, 2015 for breakfast as we explore our local demographics and what they say about our community. You may be surprised at what you learn about the place you call home.

Upcoming Board Meeting

Board members DO NOT FORGET that we have a Board Meeting on Tuesday, June, 23, 2015. We will discuss how to use our fundraising proceeds and will give Dr. Hogan an opportunity to discuss the upcoming year.
