## Rebecca Rusk; Forsyth County Juvenile Court

The Forsyth County Juvenile Court is dedicated to serving the residents of Forsyth County by hearing all cases involving allegations of deprivation or unruly conduct of children under the age of eighteen, or delinquency or traffic violations concerning children under the age of seventeen found within its jurisdiction. The Court is to ensure that children, whose well-being is threatened, shall be assisted, protected and restored, and each child shall receive the care, guidance, and control conducive to the child's welfare and best interest.

Rebecca Rusk has served as Court Administrator for the Juvenile Court since 1997 and as its chief clerk since 2005. Join us on Tuesday for Breakfast as we hear about this critical part of our judicial system.
