What a Difference a Year Makes . . .

We met Josie Schalk last year shortly after she arrived to spend a year going to college in the United States as part of the Georgia Rotary Student Program (GRSP). Josie now returns to us for her year-end visit, so please come to see and hear first hand what Josie thinks about her time with us.

Importantly, next year our club is the "Host Club" for the County's GRSP student. John Westmoreland will welcome a GRSP student into his home, and our club will have increased responsibilities, so be sure to attend and get a look ahead to next year's exciting time for our club.

Derby -- An Interesting Twist

TOMORROW . . . we will continue to update our preparations for Down and Derby 2015. You will want to be in attendance to see and hear about the interesting twist to this year's Down and Derby preparations.

Planning to Protect, 2.0

We had a great success for our first Planning to Protect event! Nine Forsyth County first responders now have estate plans who, prior to this past weekend, would have left the distribution of their estates up to the default rules of Georgia Probate Law. Several of these folks had minor children who are now better provided for because of this club's efforts! Be there on Tuesday for an update on this great program and outreach of our club.
