## Laws of Life

The Georgia Laws of Life Essay Contest is a character education and ethical literacy program for high school students in our state. The contest encourages students to articulate their values and ideals, and it recognizes and rewards students who demonstrate positive character. Every year this club sponsors the Laws of Life Essay Contest, and every year we are moved by the students who come to share their essays with us. Join us on Tuesday and be a part of this very important meeting of our club.

## Another Derby In the Books -- Thank You

If you were there on Saturday night you know that we had another absolute blast at "Down and Derby." Thank you for your support of this club and for your support of this incredible fundraiser. We will try to get a rough estimate of where we stand to you as soon as possible . . . and then we will focus on helping Dr. Hogan beat that number next year!
