Virgilio Perez Pascoe: International Man of Mystery and Marketing

September 29, 2014

Virgilio Perez Pascoe has a varied international corporate resume exemplifying a career devoted to international expansion of some of the most well known brands in the world.

From the U.S., to Mexico, Ecuador Egypt and places in-between, Virgilio has expanded the global market for companies like Coca-Cola, Pepsi, Frito Lay, and yes, that bastion of fine brews -- Coors. Join us on Tuesday, September 30th as Virgilio talks about his career and what lessons he has learned that all Rotarians can take to heart, both from a business as well as a personal perspective.

\$10.00 to End Polio Now

September 29, 2014

Please remember that our club has committed to donate the cost of one visitor's meal (\$10.00) for every member to this year's End Polio Now campaign. We are well over half way to this goal, but we need each of you to remember to bring us all the way home. If you have not already donated your \$10.00 please do so by giving it to Janice Davis or to Chris Smith and have it marked "End Polio Now!"

October 7th Meeting to be held on October 8th at Noon!

September 29, 2014

Don't forget that the meeting for the week of October 7th for the Rotary Club of Lanier Forsyth has been moved to October 8th, at Noon. We are cancelling the normal Tuesday morning meeting in order to join the other Rotary Clubs for the Transportation Summit being held at Lanier Technical College (Forsyth Conference Center) off of Ronald Reagan Boulevard (or off of Majors Road, depending on how you get there from where you start). In lieu of Tuesday morning's breakfast we will cover the cost of you as a visiting Rotarian to the South Forsyth Club for this special joint meeting.
