Hope Rural Dictionary and Literacy Project

On Friday, January 25, 2013, Rotarians Lee Gordon, Michelle Jacobson and Lisa Kline Goldstein traveled to Hope Rural School in Indiantown for our annual Dictionary Project and literacy program. We distributed approximately 40 dictionaries to all of the 4th and 5th grade students. After the dictionary presentation, we read to one of the younger pre-Kindergarten classes. Finally, we were invited to be guests at a special school assembly. Thanks to Sister Mary Dooley, Director of Hope Rural, for again welcoming us! In passing, Lee mentioned to Cynthia Kanai of PBDA that we were headed off for this annual project. After the Service Above Self Award (see other side), she literally loaded up our car with clothes that PBDA had collected from their upper school clothing drive. It was *great* being able to help PBDA out!

The January Service Above Self Award (SASA) was presented to Palm Beach Day Academy 6th grade student Elizabeth Williams at Friday Morning Assembly on January 25th.

This award is presented to one student who has excelled in community service and leadership. In order to qualify for the SASA, students must submit an essay to Outreach Coordinator and 5th Grade Teacher Cynthia Kanai summarizing what they have completed in the way of community service and/or what leadership actions they have taken that embody the ideals of Rotary’s 4-Way Test. A panel of teachers then evaluates these essays and selects one recipient for the monthly award.

Elizabeth has displayed great perseverance. She has submitted an essay every month that we have presented our award. Although she was not selected in prior months, she always cheerfully congratulated the selected recipient, stayed positive, and tried again. She showed great poise, determination and leadership.

She loves animals and is very active with the Peggy Adams Animal Rescue League. In addition, she loves to participate in beach clean-ups and is always lending a hand to her teachers. Liz cares deeply about the environment and does whatever she can to keep our world green. Way to go!!!
