#### Re-Cap: Our Visit to Quantum House

On December 19<sup>th</sup>, our club volunteered as “chefs-for-a-day” at Quantum House. Quantum House is similar to a Ronald McDonald House. Located on the St. Mary’s Campus, Quantum House offers 30 rooms for families whose children are receiving treatment in Palm Beach County for serious medical conditions. No medical care is administered at the House; it is meant to be a reprieve from the hospital. Some patients stay at the hospital, while others go back and forth daily for on-going treatment. Robi Jurney, Past-President and former member of our Rotary Club, is the CEO at Quantum House.

We prepared dinner for approximately 85 family members, consisting of chili “three ways” with all the fixins, salad, cornbread, ice tea and lemonade. Cynthia Kanai baked fresh Holiday cookies from the oven and President Ozzie brought two of his delicious cheesecakes!

Pictured on this page is a current patient of Dr. Dror Paley, arguably the most renowned surgical specialist in the world involving limb lengthening and bone deformity correction.

Club members, patients and families were all in a pre-Holiday festive mood and we look forward to volunteering again in the immediate future.
