From the President

Dear Palm Beach Flagler Rotarians –

I am honored to be your President for 2014-15. I want to recognize Ozzie for his great leadership over the past year and I look forward to carrying on the tradition.

After attending the Rotary International Convention in Sydney, Australia and the District 6930 conference locally, it is obvious to me that we are an outstanding Rotary club and my goal is to "raise the bar" and make us that much better.

Every member will be crucial in attaining this goal and I ask each of you to commit to at least one aspect of what it means to be a Rotarian: Volunteer for a committee. Accept a month as a speaker chair and schedule interesting weekly speakers on a variety of topics. Bring in a new member. Help out with a fundraiser. Participate in our many local community service opportunities.

In short, show Palm Beach and Palm Beach County what Rotary is all about and the meaning of 'Service Above Self'. Help 'Light Up Rotary'!

Dusty

Rotary International (RI) News: Rotary's new fiscal year begins July 1, 2014. Rotary International President Gary C.K. Huang from the Rotary Club of Taipei, Taiwan) chose *Light Up Rotary* as his theme for 2014-15. Huang was inspired by the teachings of Chinese philosopher Confucius who said "It is better to light a single candle, than to sit and curse the darkness." From our President: "There are so many problems in the world, so many people who need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark. The Rotary way is the Confucius way. The Rotary way is to light a candle. I light one, you light one, 1.2 million Rotarians light one. Together, we light up the world". Huang urged club members to *Light Up Rotary* in the coming year by hosting a Rotary Day in their community and including local Rotaract and Interact members in their service projects.

Rotary District 6930 News: Dr. Juan F. Ortega, P.E. is our new District 6930 Governor for 2014-15. Dr. Ortega is a registered Professional Engineer in the States of Florida and Illinois and has extensive local, national and international experience on land development, traffic engineering and transportation planning issues. At the local level, he has worked with both public and private entities on a wide variety of projects including several municipalities and counties in South Florida. He acts as an expert advisor to the Regional Economic Development Initiative undertaken by the Central Palm Beach County Chamber of Commerce. At the national level, Dr. Ortega worked for the U.S. Department of Transportation on accessibility and mobility issues. At the international level, Dr. Ortega is a consultant to The World Bank for the implementation of transportation-related projects in Latin America. We welcome Juan and look forward to working with him!

5 Minutes with Dusty MacBeth

Name: Dusty MacBeth
 Classification: Private Banking
 Occupation: Business Development Officer, First Republic Bank
 Personal: In a relationship
 What car do you currently drive: Mercedes coupe. But I love old muscle cars (I'm from Detroit) and I've been watching ebay for a good deal on a Defender 90.
 Favorite Hobbies: Tennis, snorkeling, traveling, going to zoos, watching movies, drawing, reading National Geographic.
 Favorite Food and Restaurant: I pretty much only eat vegetables, fish and shellfish. I love Echo, Imoto/Buccan, PB Grill and Oriental Market on Dixie.
 Favorite Drink: I love sake and chardonnay (chards from Russian River Valley are my favorites).
 Favorite Store: The Internet; I can pretty much get everything that I need to survive from Amazon.
 Favorite Vacation Spot: I love to travel. I like the exploration and novelty so it's unlikely I would return to a vacation spot more than once. Sydney, Kyoto, Bangkok and Isla Morales (where I swam with whale sharks) are some of my favorites though.
 Favorite Color: Blue or orange, but not together.

5 Minutes (continued)

Favorite Toys: Clothes! (and shoes)
 Favorite Animal: I love animals! Especially my two dogs (rescued pitbull mixes). Capybaras and elephants are my favorite at the zoo.
 Most famous person you ever met: Graham Whitfield, followed by Cuba Gooding, Jr.
 Most interesting person you ever met: My father. He is an inventor with over 100 US patents.
 If you could choose a different career, what would it be: Doctor. I was pre-med in undergrad, with a focus on neuroscience. The MCAT study books were too thick though...
 Favorite thing about being a Rotarian: Camaraderie within our club, and also with other clubs on both a local and global scale. No matter where you go in the world, you can find commonality in Rotary. This was really reinforced at the RI convention in Sydney where I had the pleasure of engaging with Rotarians from countries I may never have the chance to visit myself.
 Tell us something about you that hardly anyone knows: I am a "Trekkie". I adore Star Trek, especially TNG and Voyager; so much so that I based my college entrance essay on the program.
