April Service Projects

On April 10th, our club hosted Family Night at the Pat Reeves Village in West Palm Beach. Along with members of our club, the families were visited by the Easter Bunny and were treated to an Easter egg hunt. Pat Reeves is the only emergency shelter in Palm Beach County for homeless families with dependent children. Pat Reeves is one of the programs offered by the Center For Family Services.

On April 12th, we participated in the Great American Beach Clean-up. We met at the North end of Palm Beach Island and cleaned the beaches that morning.

For those of you who enjoy the physical and spiritual benefits of walking the beaches while, at the same time, cleaning and improving our coastline, there is an organization that schedules monthly beach clean-ups on the Island. You can find them on Facebook at Adopt the Palm Beaches, or, you can send an e-mail to beachsweep@gmail.com and ask to be added to their list.

Finally, on April 29th, we met at Quantum House for Chef-for-a-Day. For the first time, we tried our hand at "working the BBQ grill"! Dinner consisted of hamburgers, hot dogs, grilled vegetables, potato salad, assorted chips, and fresh jumbo strawberries. Ozzie brought 2 of his world-famous cheese cakes! Thanks to all of the members who helped make it a success: Ozzie Osborne, Michael Sexton, Fred Wright, Allen Sells, Paige Wagner, Tom Matarazzo, Mary Rogan, Carl Minardo, Mac Skelly, Lee Gordon, and Robi Jurney.

ROTARY INTERNATIONAL (RI) NEWS: Rotary embraces the ‘Classification Principle’. This system ensures that each club’s membership reflects the business and professional composition of its community. Under this system, each member’s classification is based upon his or her business or profession; the number of members holding that classification is limited according to the size of the club. The goal is professional diversity, which enlivens the social atmosphere of the club and provides a rich resource of occupational expertise to carry out service projects and provide club leadership.

‘Service Above Self’ Award for April

On April 11th, Palm Beach Day Academy selected 8th grade student Jack Litten as the April recipient of our ‘Service Above Self Award’.

Upper School teacher Kelly Sanchez recognized Jack at the weekly school assembly. Jack lost his father as a child, which made a significant impact on his young life. He started thinking about helping others more than helping himself and committing his free time to community service. Since 6th grade, he has dedicated many consistent hours to school community service projects, such as Quantum House Chef-for-a-Day and Gleaning in the Glades.
