ROTARY INTERNATIONAL HAS A NEW WEBSITE!

Rotary International heard from many corners that Rotary needs a faster, improved website that makes it easy to find what you're looking for and helps you get your Rotary business done. They listened – and they hope you're as excited as they are about its clean, modern look and state-of-the-art features.

The site reflects valuable input from Rotary members like you – plus some new ideas RI developed to help you get more out of the site. The result is a website that's organized around what you need to connect with leaders, exchange ideas, and take action in your community and around the world.

"I'm excited about the new face this will give Rotary as well as the new opportunities for Rotarians to connect with one another," says RI President Ron D. Burton.

The website is actually two sites: one for the public and one for the Rotary family. The new Rotary.org tells Rotary's story in a clear and compelling way to help potential members, volunteers, and donors understand what makes Rotary unique and how they can get involved.

The member site, known as [My Rotary](http://MyRotary), is where you'll find everything you need to conduct your Rotary business. *By creating an account and signing in to the site, you'll access all the same reports and tools, and you'll also be able to:*

Responsibilities of Club Membership

The club is the cornerstone of Rotary, where the most meaningful work is carried out. All effective Rotary clubs are responsible for four key elements: (1) sustaining or increasing their membership base, (2) participating in service projects that benefit their own community and those in other countries, (3) supporting The Rotary Foundation of RI financially and through program participation, and (4) developing leaders capable of serving in Rotary beyond the club level.

ATTENDANCE: Attending weekly club meetings allows members to enjoy their club’s fellowship and enrich their professional and personal knowledge. If members miss their own club’s meeting, they are encouraged to expand their Rotary horizons by attending make-up meetings at any Rotary club in the world...a practice that guarantees Rotarians a warm welcome in communities around the globe. In the event that a member is away from his or her locale and there is no Rotary club to fit that person’s schedule, it is now also possible to make-up “on line” by spending a suggested 30+ minutes on an approved e-club (www.rotaryclubone.org).

SERVICE: By participating in club service projects, members learn about their club’s involvement in local and international projects and can volunteer their time and talents where they are most needed.

MEMBERSHIP RECRUITMENT AND RETENTION: To keep clubs strong, every Rotarian must share the responsibility of bringing new people into Rotary. Good club fellowship and early involvement in service projects are two of the best ways to sustain the club’s membership.
