Thank you to those who were able to volunteer:

We volunteered as "shopping buddies" to at-risk students in Palm Beach County, grades Pre-K through 12, by helping them select backpacks and school supplies.

2. On Tuesday, August 18<sup>th</sup>, we held an extremely successful happy hour at Del Frisco's in Palm Beach. Over 50 members and guests attended.

Special thanks to Charles Contessa and Patricia Reybold for arranging this event. In fact, it was so much fun, Charles is working to set up another event at the same venue this month!

## More "Rotary Basics"

## Rotary Basics (continued)

### What is Rotary?

Rotary clubs are part of Rotary International, a service club organization founded in 1905 in Chicago by an attorney, Paul Harris. In its present day form, over 32,000 Rotary clubs exist, with over 1.2 million members, in more than 200 countries and geographical areas. The Rotary motto is "Service above Self," which relates to service in the community, workplace, and the world. Rotary clubs are comprised of business and professional leaders who serve the community in which the club is located.

Individuals are invited to be members of Rotary, or Rotarians, as members are referred to. The criterion for Rotary club membership includes a reputation of good personal character, as well as business, professional or community reputation.

Rotary club membership is open to people of all cultures, creeds and races. The organization is not politically or religiously oriented. Until 1989, the membership was entirely male. Today, there are more than 150,000 female members.

Each Rotary club has four responsibilities to the international group. One is to maintain or increase the local group's membership. The second responsibility is to participate in service projects that serve the local community and those that serve the global community as well. Rotary clubs also support

The Rotary Foundation financially and by member participation. The final responsibility is to develop leaders to serve the organization beyond the club level.

Individual Rotary clubs meet once weekly. Membership responsibilities include regular attendance, participation in service, and the promotion of new members. Rotary club members benefit from networking, leadership and service opportunities. One of the long-term interests of Rotary International include efforts to end polio worldwide. Present day concerns of Rotary include the welfare of children, improving illiteracy, protecting the environment, clean water, and reducing world hunger.

Ethics have a large role in the club's foundation. Each Rotary member is asked to apply a "Four Way Test" to his or her personal and business interactions. The Four Way Test asks a Rotarian to be truthful, fair, build goodwill and be beneficial to all concerned.

The Rotary name is derived from the original practice of rotating the meeting location among the members' offices. The Rotary Wheel (see front side of newsletter), the logo for Rotary, symbolizes that practice, as well as being a symbol of civilization and movement.
