

HONOR A VETERAN RETIRE YOUR FLAG

**Do you own an aged American flag
that is no longer worthy of display?**

Help us honor deceased local veterans by donating
it through Lifesong's "Retire Your Flag" Program.

When your American flag becomes too worn or weathered to be displayed, donate it at any of our participating locations.

Each flag will be honorably draped over a deceased veteran upon cremation in recognition of their service.

According to the U.S. Flag Code, this is a fitting and dignified way to dispose of unserviceable flags.

Flag donation bins are located at area Goodwill stores and other partnering businesses. For a complete list of drop-off locations, please visit **RetireYourFlagTLH.com**.
