RI President 2018- 2019: Barry Rassin

The District Newsletter

ROTARY DISTRICT 6950 • ZONE 34 • FLORIDA • USA

This is What Rotarians Do

Hello Rotarians, this is Maria Nuñez. District Governor Eloy asked me to write the front-page article in this month's newsletter because once again, he overpromised himself and has fallen behind on his work. Even though he retired from St. Leo University last year so he could focus 100% on being the District Governor, the University asked him to design and teach the first ever doctoral in Criminal Justice to 52 new students. He could not let that exciting opportunity to pass by, so he said "yes."

He then agreed to teach a Command School class at the Pasco Sheriff office and another one at the Lake County Sheriff office. Then, if that is not enough, he came up with this crazy idea to shoot a bicycle ride video on three Saturdays in a row. Add to that the book that he just finished writing today (just in time for the publisher's deadline), and the fact that he has to sit in on the interviews for a new District Governor (RY 2021-22), and an Executive Board meeting later this week... you now can see why I'm writing this article. The man just cannot say "no." I'm not sure what psychological pathology explains this behavior, but I'm used to it by now. Forty-two years of marriage, and I'm just hanging on for a wild ride.

If Eloy was writing this article right now, he would tell you that it has been a marvelous experience visiting the 48 clubs of District 6950 and meeting so many wonderful Rotarians. Having accompanied him on most of his visits, I would have to agree. We have made many new friends and have had the opportunity to hear and see so many of the clubs' incredible service projects. We still need to go back and visit 3 more clubs a second time to complete all of the official visits, and I am very much looking forward to it.

If Eloy was writing this article now, he would want me to mention the Hurricane Michael relief efforts of our Rotarians in District 6950. For example, the Wesley Chapel Rotary Club collected and delivered large

amounts of supplies to help the devastated Rotary Club of Port St. Joe in the Florida Panhandle. The Rotary Club of Homosassa Springs and other Clubs in Citrus County collected goods and delivered them to the affected area. The Rotary Club of Crystal River donated \$2,500 to the District's Hurricane Relief fund when Eloy conducted his official visit there. Four Rotarians from the Rotary Club of New Port Richey took three trailers full of generators, chainsaws and other tools to help the Gadsden County Fire Department which was deeply affected by the hurricane. Countless other Rotarians have donated goods and cash directly to the relief efforts of Hurricane Michael. Rotarians are the most generous people I have ever encountered.

On another note, Eloy and I hope you will be able to join us at the Annual Foundation Dinner on Thursday, November 29th at 6pm at the Hilton Carillon in St. Petersburg, Florida. Registration is now available on DACDB. Rotarian Razia Jan will be the keynote speaker. Razia was born in Afghanistan and is the founder of Razia's Ray of Hope Foundation, a nonprofit organization dedicated to improving the lives of women and children in Afghanistan through community-based education. Please come to the foundation dinner and hear her extraordinary story.

Also, please remember to visit [Rotary 6950.org](http://Rotary6950.org) website to purchase tickets for the Saints vs. Buccaneers Rotary Day game on Sunday, December 9th at 1pm. Several sections have been set aside for Rotarians and their families. Bring you kids, grandkids, Interactors, Students of the Month and S4TL students. Tickets are half price for kids under 14 and \$10 of every ticket will go to fund the S4TL program.

Let's make this a special day to remember and hopefully I will get my husband back when things slow down in December.

Rotarians,

I would like to share this short poem written by my good friend Krys Baum, of the Rotary Club of Crystal River. Krys and I both experienced the devastation caused by the Category 5 winds of Hurricane Andrew in 1992. In this poem, Krys expresses exactly what I feel right now.

DG Eloy

Tonight I Lay Down

Tonight I lay down on soft, cool, clean sheets. I have a good roof over my head and intact windows. My floor is clear of debris and my toilets flush. I have plenty of food and water, a car to drive. I own several pair of dry shoes. I know exactly where my family members are and I know that everyone is safe.

Instant communication and news is available.

Not so for the victims of Michael. They have no realization that life outside of the storm's path goes on as normal. They have no idea where to begin. They can only think of the immediate and not the long term or the future. They are suffering. It may seem hopeless.

It will be a long time before there is relief from the pain. Life will never be the same. Relationships will change, weaken or strengthen. School has to start, businesses have to rebuild life has to go on.

What can we do?

By Krys Baum

Hurricane Help

Above: Homosassa Springs Rotarian Tom Feeney loads palette of bottled water for hurricane relief efforts.

The Rotary Club of Wesley Chapel is gathering items for Hurricane Relief that they will be taking to Rotarians in Port St Joe. They sent out a request for help and the Pinellas Park Rotary Club responded by bringing many items including water, cleaning supplies and baby items to their weekly meeting. Pinellas Park Rotarian Tami Scheele drove the items up to the Nissan Dealership in Wesley Chapel where she dropped off the donations from the Club.

Jared Brown recounts Polio Plus Status in the World

Past Rotary 6950 District Governor, Jared Brown, addressed the Rotary Club of Seminole Lake about how The Rotary Foundation has changed the world, specifically with the \$15 Billion raised by Rotary and subsequently the World Health Organization and the Bill and Melinda Gates Foundation in bringing the 350,000 cases of polio recorded in 1979 to only 7 this year to date. The four countries still recording this small number of cases of polio needing to be reduced to zero in order to state that this dreaded disease is truly eradicated are: Afghanistan, Pakistan, Nigeria and New Guinea. The estimated amount of future funds needed to accomplish this task is pegged at \$1.5 Billion. Since Rotary started this process in 1979 and officially announced the Polio Plus Program in 1989, the financial and hu-

man volunteer efforts to inoculate the millions of children each year have been extraordinary and exemplary of “Service Above Self” that serves as the Rotary International motto.

Jared also mentioned that District 6950 has been an annual world leader in raising money for The Foundation, and raised over \$500,000 last year! He congratulated the Seminole Lake Club for the \$15,000 they raised and the very impressive amount of \$311 per capita-also one of the leading Clubs in the District in this area.

Rotary Club of Trinity’s “Moroccan Nights” Gala raises \$29,000 for Children’s Charities

TRINITY (October 18, 2018) – On Saturday, Sept. 29, at Spartan Manor, The Rotary Club of Trinity hosted their 21st annual fundraising gala, raising more than \$29,000 for local non-profits.

The event centered around the theme “Moroccan Nights.” The ambiance of the Moroccan décor was a gorgeous backdrop for a night that all about fun and raising money the will help make a difference in multiple children organizations throughout Pasco County.

Funds were raised through ticket sales, live and silent auctions and as well as a drawing for a white gold and diamond pendant valued at more than \$1,500 donated by DeLuca’s Fine Jewelry. The club would like to thank their sponsors, attendees, and donors of the live and silent auction items, for all

their support and generosity.

“This event exemplified Rotary’s mission of doing good and having fun, our Gala Committee took the stuffy chicken dinner gala and transformed it into a fun, vibrant, open concept that in the end will benefit so many of our youth,” said Scott Byrnes, Club President.

The Rotary Club of Trinity’s mission is to make a positive difference in the health, education, and welfare of the lives of children in our community first and then beyond our region. The proceeds will support children’s organizations, such as PACE Center for Girls, Pasco Kids First, and Youth and Family Alternatives.

November is Rotary Foundation Month

Hello Rotarians:

This is the month we celebrate and support our great foundation...The Rotary Foundation. I trust every Rotary Club and Club Foundation Chair has some type of Rotary Foundation program on your November calendar! As you have heard me say over and over – The Rotary Foundation is the heart and soul of Rotary International. More importantly, is the support of its life blood...The Annual Fund. Without ALL clubs and every Rotarian (EREY) we cannot direct the local or international humanitarian needs for peace, resolution conflict, supporting education, fighting disease, etc. The Rotary Foundation can help you turn your passion, in one of our six areas of focus, into a reality through a District Grant or Global Grant!

Our District Governor Eloy Nunez has supporting Polio Eradication as his highest priority for the Foundation. Our District Foundation Committee is in full support of this worthy cause. Our District goal is for all clubs and Rotarians to rally and raise \$100,000 for Polio Eradication – dropping polio cases to ZERO! Remember: A \$100 contribution from a member is matched by a \$100 contribution from the District Designated Funds, then The Rotary Foundation matches 50% of the DDF going to Polio, then all of this is matched by the Bill and Melinda Gates Foundation.

Member Gives	\$100
District DDF Gives	\$100
<u>TRF Gives</u>	<u>\$ 50</u>
Subtotal	\$250
<u>Gates Foundation Match is 2:1 or</u>	<u>\$500</u>
Resulting in	\$750 for Polio

The District Foundation and Area Foundation Reps are a committee trained and ready to assist you and your club reach new levels of achievement in Foundation giving. Whether you need advice, information or perhaps would like a club speaker visit, we are just an email away. This is your Foundation Committee; please utilize them as a resource to assist!

Makin' Memories

Hi Eloy,

Your latest newsletter was really inspiring, especially the love story. So sad but so sweet.

I wanted to bring you an update from Jerry and me for this month. We took some time off the boat and having a rental car made it much easier for us to attend Rotary meetings. We did a Western loop out to Yellowstone,

Grand Tetons and then through Denver to pick up our daughter and bring her back to the boat with us. We were able to share the CART

story with Rotary Clubs of Sioux Falls, SD and Jackson Hole, WY.

We came back and moved the boat down the Illinois River to where it merges with the Mississippi River. There

*One Profits Most
Who Serves Best
Service Above Self*

is extensive flooding here and the river is now temporarily unsafe to navigate as it is 32.5' above normal, running about 7 mph and is full of debris. We have seen huge trees and even refrigerators floating past our marina at an impressive speed.

So we are off the boat again, trying to show our daughter something more fun and are exploring the St. Louis area. Yesterday we attended the St Peters Rotary Club where they didn't have a speaker and so we became the impromptu program. We were able to share the CART story and they may change their Happy Dollar collection to CART (they'll talk about it at their next BOD meeting). Fingers Crossed!

We hope to be able to continue the Loop within the next few days as the river crests and some of the debris clears. In the mean time, with a car, we will continue to seek out clubs in the area to share the CART story!

Best to you and Maria

Rotary Club of Seminole Lake has provided the judging staff for the past 8 years for the Seminole Field of Screams held on Oct 26th

Measuring Our Success

Rotary International President Barry Rassin told incoming District Governors - I want you to inspire in your clubs, and in your Rotarians, that desire for something greater. The drive to do more, to be more, to create something that will live beyond each of us."

While Rotary in the field virtually reinvents itself annually, we must surely recognize that the advancement of our organization is not a one year endeavor, but is a continuum of constant striving for improvement and provision of the highest possible quality of experiences for our customers (Rotarians).

So when it comes to the measurement of our success, the increasing vibrancy of our Rotary Clubs and there resulting attractiveness and growth is a great yardstick for us to use. Rotarians are People of Action, and each of us can be part of the process of growth, improvement and relevance of our Clubs and Organization. We all have the ability to leave a legacy of improvement and success, and with that success comes an increased re-

turn on our investment in Rotary -after all, we all surely love to be part of Success.

I am often asked "what are the rules covering Corporate Membership" and just as often get a surprised look when I explain "the Club writes the rules on that". The basic thing we need to remember is that if RI and District dues are paid, the person named is an active Rotarian. Others may be permitted to attend meetings in place of, or even in addition to a Corporate Rotarian, but if dues are not paid, they are not Active Rotarians and may not hold office. However there are many benefits to Corporate Membership - extending the reach of Rotary, attracting busy executives, encouraging Companies to participate in Rotary, to name but a few, so if you are interested and want more information, why not contact your District Support Team, District Membership Chair, Mike Eisner or his Area Membership Team. Plan a Membership drive no different than a fund raiser, all club members should be involved.

Zone 34 progress to MembershipPlus. This is a simple +/- table. For full details of Attraction and Retention figures, please see full report from ROTARY INTL. Figures as of 10/15/18

Ronald McDonald House Dinner

Members of the Pinellas Park Rotary Club, along with family members, prepared dinner for the families staying at the St. Petersburg Ronald McDonald House last Thursday, Oct 18th. Josh Astarita, Kevin Fay, Doug Oppenheimer, Stephanie Astarita, Alex Brodsky, Yvonne Fay, Charlotte and Don Higgins, Joe Minarik, Barbara Todd MacKellar and Jeff MacKellar provided Hamburgers, Hot Dogs and Brats, Macaroni and Potato Salad, Baked Beans, Mixed Fruit and various deserts for the 50+ people staying at the R McD House.

Pinellas County Community Policing Deputy Receives Standing Ovation

Deputy Lydia Lang-Royal spoke to the Rotary Club of Seminole Lake on Friday, September 28th at Freedom Square located at 7800 Liberty Lane, Seminole. Deputy Lang-Royal's is assigned as the Community Policing Deputy serving the greater Ridgecrest Community. During the October 5th, 2018 Rotary Club meeting, Deputy Lang-Royal outlined

her many duties, which include partnering with the community, problem solving, and getting to know the residents and their concerns. Deputy Lang-Royal is also very involved with the children in the community and specifically treats children of single parent homes to a movie and a meal once per month. Deputy Lang-Royal's activities were so numerous that the entire Rotary Club of Seminole Lake gave her a standing ovation to thank her for her service to our community.
