Max's Corner

By Bjorn Gunnar Anderson

2013-10-27

Today, I asked my mentor - a very successful business man in his 70s- what his top 3 tips are for success. He smiled and said, **"Read something no one else is reading, think something no one else is thinking, and do something no one else is doing."**

Today, as my father, three brothers, and two sisters stood around my mother's hospital bed, my mother uttered her last coherent words before she died. **She simply said, "I feel so loved right now. We should have gotten together like this more often."**

Perspective...

Today, a boy in a wheelchair saw me desperately struggling on crutches with my broken leg and offered to carry my backpack and books for me. He helped me all the way across campus to my class and as he was leaving he said,

"I hope you feel better soon."

The best sermons are lived, not preached.
