

Red Badge Scorecard

The new member orientation of the Rotary Club of Fort Lauderdale (also known as the “Red Badge Program”) is a great way for new Rotarians to learn about and experience Rotary. To complete the program new members must attend a scheduled New Member Orientation meeting, attend Part 1 of Rotary Leadership Institute (RLI) (ri6990.org to sign up) and get at least five of the eight additional activities done. Upon completion of each activity a member of the board or committee chair should sign and date in the spaces provided. Submit the signed scorecard to the membership committee or to the Executive Director to finish the program.

Name of Red Badge Rotarian

Activity	Date	Signature
