

GENERAL GUIDELINES FOR GRANTS

The Buffalo Rotary Foundation awards grants to tax exempt organizations organized and operated exclusively for religious, charitable, scientific, literary or educational purposes or for the prevention of cruelty to children or animals. Grant requests are reviewed and recommended to the membership by the Public Service Committees: Community Affairs and International Service. The Service Survey Committee then reviews all recommendations in order to insure compliance with grant requirements. Rotarians participate by voting on requests at our semi-annual Club assemblies in November and May. The Board of Directors has ultimate responsibility and authority regarding grant approvals which are, after being acted upon, sent to the Buffalo Rotary Foundation's Board of Trustees for their consideration and action.

Application deadlines are July 15th and January 15th. Final disposition is made December 30 and June 30.

The Buffalo Rotary Foundation is looking to fund projects that:

- Primarily serve youth and families that live, learn, work, or play in the city of Buffalo.
- Provide for the acquisition of necessary equipment, facilities or capabilities.
- Do not exceed \$10,000
- Will have a positive impact on the community for more than one year.

The Buffalo Rotary Foundation does NOT fund:

- Capital building campaigns of \$100,000 or more.
- Large public/private entities like universities or hospitals that have other ample opportunities for philanthropic support.
- General operating expenses.
- Annual programming costs.
- Sponsorships, galas, or other fundraising events.
- Disposable items or funds for normal repair and maintenance.

Grant applications must include the following:

1. Completed Buffalo Rotary Foundation grant application with supporting documentation.
2. Must demonstrate a clear need for funding by the supporting materials including a budget, three years audited financial statements and a list of past and present funding sources to demonstrate organization's viability.
3. The project must align with Rotary's mission (see next page).
4. A business plan for the project which provides reasonable assurance of its success and sustainability.
5. A commitment to provide a report of results upon the project's completion.
6. If the project is intended to last longer than one year, applicant must demonstrate that the project is sustainable after grant funds have been expended.

Funding Considerations:

1. Seed money for new, worthy and effective projects, particularly when resources from others are not forthcoming.
2. Projects which include meaningful personal involvement of Rotarians and their partners in their roles as community volunteers.
3. Projects that build personal values cherished by Rotarians and others, such as high ethical standards, a concern for others, tolerance, a sense of self esteem, seeking of full potential, and a realization of the importance of working for goodwill and peace.
4. Projects that propose to help satisfy a significant need, which is not yet being adequately met, and which has the potential to galvanize Rotary interest and public respect.
5. Projects which impact upon a large number of people, locally or world-wide.
6. Help underserved populations, especially children.
7. Provide significant public recognition for Buffalo Rotary.
